

BUICK

2004 RAINIER

Like the majestic peak from which it takes its name, the new Rainier™ has a character all its own. Its available equipment allows Rainier to go and tow with impunity while the exclusive QuietTuning™ package keeps the cabin amazingly noise-free. Plus it's a Buick® Rainier so there are leather appointments, lots of sparkling chrome and a smooth-riding rear-air suspension. Powerful. Peaceful. Rainier. It's a brand-new Buick. Note: Photos shown may include optional equipment.

1 Manufacturer's Suggested Retail Price as of 7/16/03. Includes DFC. Tax, title, license and optional equipment are extra.

2 Engine horsepower and torque ratings are based on preliminary figures.
3 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any options necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Buick dealer for additional details.

4 With rear seats folded flat. Cargo and load capacity limited by weight and distribution.

5 Feature may require purchase of separate receiver for home to activate lights.

6 RDS functions only when stations broadcast RDS information.

7 XM is available only in the 48 contiguous states. For more information, visit gm.xradio.com.

8 Not available with DVD entertainment system

9 Gross Vehicle Weight Rating (GVWR). When properly equipped; includes vehicle, passengers, cargo and equipment.

10 Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
