

MONTE CARLO

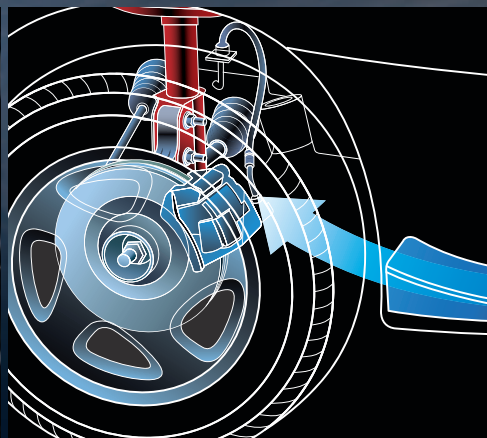

Monte Carlo Supercharged SS shown in Black with Galaxy Silver ground effects. Limited availability.

2004 Chevy Monte Carlo
Spacious, seductive, powerful. That's the attitude of every sculpted inch of Chevy™ Monte Carlo.® LS or SS, you get the largest interior in its class.* If it's performance you crave, the Supercharged SS is sure to satisfy, thanks to a healthy 240 horses, 280 lb.-ft. of torque and a Performance suspension that lets you feel the exhilaration. Commutes never felt so good.

With a 240-hp supercharged 3800 V6 engine, performance suspension and race-inspired design, this powerful machine is everything you expect a supercharged Super Sport to be.

Race-inspired brake cooling ducts help direct air onto the front brake rotors and calipers for cool operation and to increase brake pad life.

Built with pride at Oshawa #1, Ontario – recipient of the J.D. Power and Associates Gold Plant Quality Award, North/South America.†

*Based on latest available information. Excludes other GM vehicles.
†The General Motors Corporation — Oshawa #1 Ontario plant was the highest ranked in North/South America and the General Motors Corporation — Lansing Grand River, MI plant was the second highest ranked in North/South America among plants producing vehicles for the U.S. market in J.D. Power and Associates 2003 Initial Quality Study.™ Study based on a total of 52,105 U.S. consumer responses indicating owner reported problems during the first 90 days of ownership.
