

2006 CADILLAC STS The Cadillac STS V8 is shattering perceptions with the perfect union of performance and luxury. Zero to 60 mph in under six seconds.* An available performance-tuned AWD† system pumps power to all four wheels for precise cornering. Available Magnetic Ride Control** resolves the traditional conflict between taut handling and an enjoyable ride. And an available 15-speaker Bose 5.1 Studio Surround Sound system. Or choose STS V6 with a 3.6 Liter 255-hp engine. Either way, the 2006 Cadillac STS will silence the stereotypes.

*STS V8 rear-wheel drive model with 3.42 axle ratio and performance brakes. †AWD V6 available first quarter 2006. **Requires purchase of an STS V8 option package.

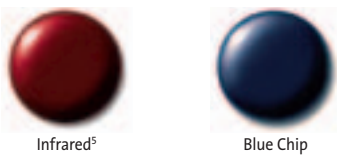

Cadillac STS shown in Silver Smoke with optional equipment.

- Available features may require purchase of an option package. See your Cadillac dealer for details.
- V6 engine with AWD available early 2006.
- Cargo and load capacity limited by weight and distribution.
- Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details.
- Available at extra charge.
- Always use safety belts and proper child restraints, even with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
- Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
- Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking, or other inputs necessary to retain control of the vehicle.
- Included and only available with Adaptive Cruise Control.
- RDS functions only where stations broadcast RDS information.
- Map coverage limited to the 48 contiguous United States and portions of Hawaii and Canada. Not available in Alaska, Puerto Rico, and the Virgin Islands.
- XM is available only in the 48 contiguous United States. Services fees extra. Visit gm.xradio.com for more details.
