M6 COUPÉ AND CABRIOLET.

SAVAGE BEAUTY.

The 560hp M6 Coupé and M6 Cabriolet are visually stunning, high-performance machines. Their aerodynamic silhouettes have been optimized through extensive wind-tunnel testing creating a highly functional design. Exclusive M features, from the Coupé's lightweight carbon-fibre roof that lowers its centre of gravity, to the optional M Carbon Ceramic Brakes, enhance their race-bred performance.

Shown: M6 Cabriolet in San Marino Blue Metallic paint and BMW M6 Coupé in Sakhir Orange Metallic paint.

M6 GRAN COUPÉ.

PERFORMANCE ART.

As the first-ever four door coupé from BMW's M division, the M6 Gran Coupé merges elegant style with fierce performance, boasting a multiple award-winning design. The furious output of its 560hp V8 engine is further enhanced by the Competition Package, which track-tunes the handling and suspension, adds a more aggressive performance exhaust and increases the output to 575hp.
