DECEMBER 2014

BMW M6 COUPÉ AND CABRIOLET. SAVAGE BEAUTY.

The visually stunning M6 Coupé and M6 Cabriolet are 560hp high-performance machines. Extensive wind-tunnel testing has honed their sleek silhouettes into a highly functional aerodynamic design. Exclusive M features, from the Coupé's carbon-fibre roof that lowers its weight, to the optional M Carbon Ceramic Brakes, enhance their race-bred performance.

Shown: M6 Cabriolet in San Marino Blue Metallic paint and BMW M6 Coupé in Sakhir Orange Metallic paint.

BMW M6

BMW M6 GRAN COUPÉ.

PERFORMANCE ART.

The first-ever four-door coupé from BMW's M division, the M6 Gran Coupé has amassed multiple awards by merging elegant style with fierce performance. Its 560hp V8 engine is further enhanced by the Competition Package, which increases output to 575hp, while track-tuning the handling and suspension, and adding a more aggressive performance exhaust.

Shown: M6 Gran Coupé in Frozen Silver paint with optional M Carbon Ceramic Brakes and M Double Spoke light alloy wheels – Style 433M.
