The Range Rover stands alone as the supreme luxury four-wheel drive vehicle. It stands acclaimed for the world's finest interior, its capability and performance. It is peerless. The most advanced, most powerful, most complete luxury four-wheel drive vehicle is the Range Rover.

Now the Range Rover stands enhanced, further extending its leadership in two distinct forms. The Range Rover Westminster and the Range Rover Autobiography.

WESTMINSTER

The Range Rover Westminster adds even more presence to the Range Rover's famous exterior features with a bright finish to the front grille and side vents, the fog lamp surrounds and the bumper "splitter bar".

THE RANGE ROVER WESTMINSTER

The Range Rover Westminster introduces significant enhancements to the cabin with a number of additions and upgrades to the materials, the seats and the in-car entertainment system. These include a luxurious full Oxford leather interior in a choice of five colourways and heated/cooled front seats with memory function plus heated rear seats. The Range Rover Westminster also features the outstanding 1200W **harman/kardon**® LOGIC7® Surround Sound Audio system and a dual view Touch-screen display.

The Touch-screen with dual view technology uses 1,280 x 480 resolution, patented Parallax Barrier technology to display alternative columns of pixels to left and right-hand views, allowing driver and passenger to see different images.

The tactile, brushed suede-feel Alston headlining adds an even greater feeling of luxury and exclusivity and is available in three colours as an optional feature. Please contact your Land Rover dealership for further details.

harman/kardon® and LOGIC7® are registered trademarks of Harman International Industries, Incorporated.

Autobiography

The Range Rover Autobiography is the supreme expression of craftsmanship and exclusiveness. Every Range Rover Autobiography now displays even more individuality and assertiveness through the Exterior Design Pack, which is fitted as standard, and 20 inch Shadow Chrome alloy wheels.

For customers who prefer the Range Rover Autobiography with a more understated exterior, the vehicle is also available without the Exterior Design Pack.

THE RANGE ROVER AUTOBIOGRAPHY

The Range Rover Autobiography adds even more exclusivity to the interior as well as that opportunity for the more personal touch. With a wide range of interiors that are unique to Autobiography, there are semi-aniline leather seats, fine veneers and an all-leather headlining, plus an 'Autobiography' inlay on the door casings.

The LR-TDV8 Diesel's astonishingly smooth delivery of power and torque has been described as 'like a plane accelerating down a runway'.

All LR-TDV8 Diesel engines feature an eight-speed automatic transmission incorporating Drive Select with Paddle Shift as standard.

The LR-TDV8 Diesel's advanced 8HP70 eight-speed automatic transmission adapts to driving style and outside conditions. It is also able to 'skip shift' (for instance directly from eighth to third gear in one step) to improve response, performance and fuel economy. The transmission has a wider spread of ratios which results in a more relaxed 'cruising gear' while preserving 'off-the-line' and off-road performance. All this is achieved with no increase in weight and improves fuel efficiency by 15 percent.

The LR-TDV8 Diesel has been developed as part of the Land Rover e_TERRAIN TECHNOLOGIES engineering philosophy which commits to sustainable initiatives.

Performance comes with total refinement.

A choice of engines to suit every driving style. And lifestyle.

The LR-TDV8 Diesel with 8-speed automatic transmission and Drive Select with Paddle Shift, as standard, offers outstandingly smooth delivery of power and torque.

For more outright performance, the LR-V8 Supercharged delivers 510hp. Designed with the Range Rover specifically in mind, this advanced petrol engine features a latest generation supercharger and Dual Independent Variable Camshaft Timing to deliver increased torque at low speeds and acceleration from 0-60mph in just 5.9 seconds.

The Range Rover. Unsurpassed control and driveability. Terrain Response® works alongside Adaptive Dynamics. Adaptive Dynamics not only provides the best ever Range Rover experience over rough roads by fully utilising the vehicle's long suspension travel to absorb potholes or ruts, it also provides enhanced control at higher speeds while cornering or braking. Adaptive Dynamics takes the Range Rover's ride and handling to a new level.

It works by predicting the response to driver input, and monitors contact with the surface of the road 500 times a second, allowing the system to help mitigate any excessive movement, rather than a conventional system which reacts after the vehicle has already moved. From the extremely rough surface to the smoothest road, this delivers significant off-road and on-road benefits.

The 12 inch TFT-LCD virtual instrument panel uses the same technology found in high-quality computer laptops and can be both personalised and adapted to suit the driving conditions.

Voice Recognition system with simple commands to aid safer and more convenient interactivity with the infotainment system.

Terrain Response® uses a fingertip control on the centre console (and grouped in a convenient cluster with the air suspension height control, Hill Descent Control (HDC) with Gradient Release Control (GRC) and the high/low gear ratio selector) to choose settings for different driving environments.

Adaptive Dynamics predicts the response to the driver's actions and helps ensure that all occupants are transported in the greatest possible comfort and security regardless of the road surface and variations in conditions.

FEATURES BY DERIVATIVE

TDV8 WESTMINSTER

Westminster Specification:

ENGINE & TRANSMISSION

- 4.4 litre 8 cylinder twin sequential turbocharged and intercooled diesel engine
- Diesel Particulate Filter (DPF)
- 8-speed automatic transmission
- 'Drive Select' rotary shift gear selector
- PaddleShift.

SUSPENSION & DRIVING DYNAMICS

- Terrain Response®
- Adaptive Dynamics
- Fully independent Electronic Air Suspension with variable ride height
- Hill Descent Control (HDC) featuring Hill Start Assist (HSA) and Gradient Acceleration (GAC) Control
- Centre electronically controllable differential
- 4-channel all terrain ABS power braking with all round ventilated disc brakes
- Cruise control
- Emergency Brake Assist (EBA).

WHEELS

- 20 inch 'Style 17' decal finish alloy wheels (20 inch 'Style 19' diamond turned alloy wheels are a no cost option).

EXTERIOR LIGHTING

- Locking wheel nuts
- Reduced size space saver spare wheel
- Xenon headlamps
- LED front and rear signature lights.

EXTERIOR FEATURES

- Gloss black front grille surround and black back-plates to headlamps and tail lamps
- Body coloured door handles and grille surrounds
- Illuminated front sill treadplates with Range Rover lettering (including brushed aluminium rear treadplates)
- Westminster badge
- Autobiography Design Pack including Noble finish grille, side vents and Indus finish front bumper splitter bar and fog lamp bezels.

INTERIOR FEATURES

- Memory function – driver's seat, exterior mirrors and steering wheel
- Perforated Oxford leather seats – with heated/cooled front and heated rear seats
- Facia topper panel in Belgravia leather
- Grand Black Lacquer 12 piece wood set
- Autobiography luxury carpet mats with leather trim edge
- Heated leather steering wheel with memory function switches and cruise
- Bright finish pedals.

COMFORT & CONVENIENCE

- Smoker's Pack (non-smoker's Pack is a no-cost option)
- Park Distance Control
- Rear view camera with parking aid
- Rain sensing wipers and automatic lights
- Acoustic glass
- Green tinted glass
- Heated windscreen
- Headlamp power wash
- Auto dimming interior rear view mirror
- Heated powerfold door mirrors with memory function
- Volumetric alarm plus tilt sensor
- Keyless push button start
- Park heating with remote control
- Side impact beams on all doors
- Full size driver and front passenger airbags
- Driver and front passenger head and side airbags
- Driver's knee airbag
- Rear outboard passenger head airbags
- Electric sunroof.

INFORMATION, COMMUNICATION & AUDIO

- 12 inch TFT Virtual Instrument Panel
- Touch-screen hard disc drive navigation system including 4x4 interface and TMC and Voice Control
- Hybrid TV system
- Dual view Touch-screen
- Bluetooth® phone system
- LOGIC7® Hi-Fi 1200 watt audio system – 19 speaker **harman/kardon**® surround sound system
- iPod® and USB audio connectivity interface including iPod® link lead
- Digital Audio Broadcasting (DAB) Radio.

harman/kardon® and Logic 7® are registered trademarks of Harman International Industries, Incorporated.

iPod® is a registered trademark of Apple Inc. registered in the US and other countries.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Land Rover is under license.

The Range Rover's alloy wheels are manufactured from extremely resilient material. They are designed to enhance looks and improve handling by reducing unsprung weight, allowing the suspension to react more quickly. Not only has each one been through a series of formidable tests, to simulate on and off-road stresses, every individual wheel is also x-ray checked before delivery.

Please note: When choosing vehicles fitted with specific wheel and tyre combinations or optional wheels and tyres, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tyres may offer certain styling or driving benefits, but may be more vulnerable to damage. Please discuss your requirements with your Land Rover dealership for further details.

†If towing for commercial gain, please refer to your Land Rover dealership for information relating to digital tachograph installation.

Fuel consumption figures: The results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle with which this information may be supplied. Vehicles are not individually tested and there are inevitable differences between individual vehicles of the same model. The vehicle may also incorporate particular modifications. Furthermore, the driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. Usable fuel tank capacity of 23 gallons (104.5 litres). Low fuel warning at 1.7 gallons (8 litres) approximately.

Dimensions & Capability

Thanks to its innovative cross-linked air suspension, the Range Rover can maintain a level ride height even over undulating terrain and be set to lower gently to ensure easy entry and exit when parked. Despite its impressive power and peerless capabilities, front and rear Park Distance Control and speed sensitive power-assisted rack and pinion steering ensure that manoeuvring in tight spots is always a simple, trouble-free operation. With up to 2,099 litres of cargo space the Range Rover again demonstrates its breadth of capability.

Performance & Weights

The Range Rover Supercharged has an impressive 0-60mph time of 5.9 seconds. Both the fuel economy and the performance are aided by the extensive use of aluminium components that include the bonnet assembly, outer door skins and inner door construction, wheels, transmission housing and front wings.

ACCESSORIES

The Range Rover offers a unique range of accessories that can add both a degree of personalisation and individual style as well as further practicality and capability. A small selection of accessories is illustrated here. Range Rover Approved Accessories are designed and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

Visit www.rangerover.co.uk for more information.

Image shown above: includes Deployable Side Steps, 20 inch 6-Spoke Alloy Wheels Dark Grey Diamond Turned Finish, Range Rover Centre Caps, Bright Finish Mirror Caps and Power Vents.

*Electronic Control Unit (ECU) and Wiring Harness must be ordered with deployable side steps.
‡For vehicles with an Exterior Design Pack, Deployable Side Steps, Fixed Side Steps and Side Protection Tubes require Sill Mouldings (RHD – LR018384) to be fitted.

Deployable Side Steps† (deployed) (shown above) - VPLMP0041

Electronic Control Unit (ECU)*

(not shown) - VPLMP0097 2010 Model Year vehicles onwards.
(not shown) - LR004028 2007-2009 Model Year vehicles only.

Wiring Harness*

(not shown) - VPLMV0080 2010 Model Year vehicles onwards.
(not shown) - VPLMV0022 2007-2009 Model Year vehicles only.

Side Protection Tubes‡ - Stainless Steel
VUB001230

Side Protection Tubes‡ - Black Steel
(not shown) - VUB002510

Can be fitted with or without Front Mudflaps.

Cargo Barrier Full Height
VUB503890
Easily removed, incorporates useful integral ski hatch. Retractable Loadspace Cover can still be fitted. Complies with EC regulation 17. Not compatible with vertical blind and Rigid Loadspace Protector.

Cargo Barrier Full Height
VPLMS0039
For vehicles with Reclining Rear Seats.

Cargo Barrier Half Height
(not shown) - LR007320
Easily removed. Retains cargo according to EC regulation 17.

Cargo Barrier Half Height
(not shown) - VPLMS0040
For vehicles with Reclining Rear Seats.

Front Mudflaps
CAS500060PMA
Compatible with deployable side steps. For vehicles without Exterior Design Pack.

Front Mudflaps
(not shown) - VPLMP0046
Compatible with deployable side steps. For vehicles with Exterior Design Pack.

Rear Mudflaps
CAT500070PMA
For vehicles without Exterior Design Pack.

Rear Mudflaps
(not shown) - VPLMP0047
For vehicles with Exterior Design Pack.

Snow Traction System
LR005737
For front 20 inch wheels only.

Snow Chains
VUJ000020 (not shown)
For rear 18 and 19 inch wheels only.

Bright Finish Mirror Caps
 VPLMB0041 - (Upper)
 2010 Model Year vehicles
 onwards.

Wind Deflectors
 VUB000610

Multi-Height Tow Bar**
 VUB000720
 Offers three different
 towing height options.
 Lowest tow ball position
 360mm from ground.
 3,500kg trailer load capacity
 (150kg trailer nose load).

Quick Release Tow Bar**
 VUB000730
 Easily removed. Lockable
 for security. 3,500kg trailer
 load capacity (150kg trailer
 nose load).

**13 Pin Type Towing
 Electrics†**
 VPLMT0007
 European style towing
 electrics, capable of
 supplying all trailer rear
 lighting and interior
 equipment power.
 2010 Model Year
 vehicles onwards.

**12N/12S Type Towing
 Electrics†**
 VPLMT0006
 Provides all trailer rear
 lighting and interior
 equipment power, where
 required. Supplied as a
 combined kit. 2010 Model
 Year vehicles onwards.

**Tow Bar Armature required.

†Please note: These accessories are not suitable for Caravans, Trailers or Lighting Boards fitted with rear mounted LED Lamp Kits.

Roof Rails and Crossbars*

CAB000040PMA

Adjustable position crossbars included.
Lockable for security.
Load capacity 91.6kg.
Vehicle height when fitted 1,963mm.

Sports Bars*

VUB502790

Fixed position crossbars, easily removed when not in use.
Aerodynamic profile. Load capacity 96.2kg.
Vehicle height when fitted 1,938mm.

Luggage Box*

VPLVR0062

Gloss Black finish. Opens from both sides.
Lockable for security.
External dimensions: 1,750mm long, 820mm wide,
450mm high.
Volume 440 litres. Load capacity 75kg.

Luggage Carrier*

LR006848

Load capacity 87kg on
Sports Bars, 82.4kg on Roof
Rails and Crossbars.

Aqua Sports Carrier*

LR006846

Carries one surfboard or sailboard and mast,
or one canoe or kayak.
Load capacity 45kg.

Ski and Snowboard Carrier*

LR006849

Carries four pairs of skis or two snowboards.
Lockable for security. Incorporates slider rails
for easy loading. Load capacity 36kg.

*Roof Rails and Crossbars or Sports Bars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio system, if fitted.

e_TERRAIN TECHNOLOGIES. EFFICIENT POWER SYSTEMS, LIGHTWEIGHT STRUCTURES, REDUCED EMISSIONS

A joint £800m investment into new technologies designed to reduce CO₂ emissions and improve fuel consumption. We are targeting a 25 percent reduction in joint fleet average tailpipe CO₂ emissions by 2015, as part of our carbon management plan. The all-new Range Rover Evoque and Freelander 2 vehicles include innovative stop start technology (on the diesel manual gearbox) and Intelligent Power Systems Management (IPSM) with regenerative braking, just two examples of e_TERRAIN TECHNOLOGIES that reduce our vehicles carbon footprint. What's more, Range Rover's Adaptive Dynamics System constantly monitors vehicle performance, to enhance driving and emissions efficiencies.

FACT
We will use life cycle assessment to understand the environmental impact of our vehicles, including the use of e_TERRAIN TECHNOLOGIES, beginning with Range Rover Evoque.

SUSTAINABLE MANUFACTURING. USING FEWER RESOURCES AND CREATING LESS WASTE

World class manufacturing facilities, certified to ISO14001 since 1998. As a company we are targeting a 25 percent reduction in operating CO₂ emissions by 2012, 25 percent in waste to landfill and 10 percent in water consumption, based on 2007 levels. Our activities include factory energy efficiencies, cutting transport miles and the carbon offset of all CO₂ emissions from manufacturing assembly. But it doesn't stop there. Every new vehicle is designed to be 85 percent recyclable and reusable, in addition 95 percent recoverable and reusable, with 10 percent specifically for energy recovery.

FACT
Turning waste food into energy in a trial at our headquarters in Gaydon, has diverted 43 tonnes of waste from landfill and saved 3.7 tonnes of CO₂ emissions.

CO₂ OFFSETTING. INVESTING IN RENEWABLE ENERGY, TECHNOLOGY CHANGE AND ENERGY EFFICIENCY PROJECTS

For every tonne of CO₂ emitted during the manufacturing assembly of all our vehicles, Land Rover invests in carbon reduction projects that reduce an equivalent tonne of CO₂ elsewhere. In addition, we enable our customers to offset their first 45,000 miles/72,000 km of driving in their new vehicles. We do this in the UK as well as countries in Europe, the Middle East and Asia. Independently administered by ClimateCare and Forum for the Future, CO₂ offsetting allows us to take action now, to reduce our impact on the environment, as part of our integrated carbon management plan.

FACT
We plan to offset approximately 3,000,000 tonnes of CO₂ emissions by 2012.

CONSERVATION AND HUMANITARIAN PARTNERSHIPS. WORKING PARTNERSHIPS FOR CONSERVATION AND SOCIETY'S GAIN

Our vehicles are designed for purpose, so are used by conservation and humanitarian organisations worldwide. Working with our five Global Conservation partners and the International Federation of Red Cross and Red Crescent Societies (IFRC), Land Rover is proud to support the important work of the Royal Geographical Society (with IBG), The Born Free Foundation, Earthwatch Institute, Biosphere Expeditions and the China Exploration and Research Society.

FACT
In 2010 Land Rover launched a new three-year global initiative with the IFRC entitled 'Reaching Vulnerable People Around the World'. Land Rover has supported the IFRC's life saving work since 2007 and to date has given over £4m in vital funding and vehicle support to help vulnerable people around the world.

LAND ROVER FINANCE Land Rover finance offers a wide range of competitive finance and insurance plans, developed exclusively for Land Rover owners and tailored to meet all your individual requirements*. With Land Rover Finance you are dealing with people who have a close working relationship with your local dealership and who are as passionate about Land Rover as you are. Your Land Rover dealership will match your personal or business requirements to the most appropriate finance plan, provide you with quotations and process your application.

WARRANTY Every new Land Rover supplied by Land Rover UK comes with a standard three year unlimited mileage warranty. Please apply to your dealership at the time of purchase for full details of the manufacturer's terms and conditions.

*Finance is subject to status and conditions. Available to over 18's in the UK only. Guarantees/indemnities may be required. Certain categories of business user may be excluded.

IMPORTANT NOTICE: This publication is intended for use in the United Kingdom and whilst Land Rover take the utmost care in ensuring that all details in the publication are correct at the time of going to press, we are constantly striving for improvement and therefore reserve the right to alter specifications and equipment without notice. Details of specifications and equipment are also subject to change to suit local market conditions and requirements, and not all products are available in every market. Some vehicles are shown with accessories or optional equipment fitted.

All Land Rover Approved Accessories fitted by a Land Rover dealership within one month or 1,000 miles/1,600 kilometres (which ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover dealership who will be pleased to advise you on current specifications and any query you may have. Distributors and dealerships are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover dealership. Distributors and dealerships are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation.
