MOËT & CHANDON

CHAMPAGNE

Since 1743 when it was founded, Moët & Chandon has been passing down unequalled winemaking savoir-faire and an innovative and pioneering spirit from generation to generation. Claude Moët, its founder, was the first person to embody these values when he made his champagne the most sought-after in Europe. With his grandson, Jean Remy Moët, a pioneering and visionary mind, Moët & Chandon became a major international champagne brand. This saga quickly transformed the family House into a worldwide symbol of success. Today, a bottle of Moët & Chandon is opened every second, making this brand the most beloved champagne in the world.

Benoît has many fields of interest which inspire him such as nature, traveling, new experiences and new cuisine. He's been influenced by Japanese culture because of their commitment to the quality, freshness, and simplicity of food. Veuve Clicquot

■ REIMS FRANCE ■

Since 1772, Veuve Clicquot has remained true to its motto: “only one quality, the finest.” Its history carries the mark of an exceptional woman, Madame Clicquot. This young widow courageously took over the family business at the age of 27. She was uncompromising on quality, transmitting her taste for excellence and innovation for generations to come.

Madame Clicquot invented the first blended rosé in 1818, an innovative method still widely used in champagne today.

Veuve Clicquot LA GRANDE DAME 2008

95 POINTS, WINE SPECTATOR

First created in 1962 and launched in 1972 for the House bicentennial, La Grande Dame is a tribute to Madame Clicquot, who was known as La Grande Dame de la Champagne—"The Great Woman of Champagne". The Cellar Master's vision for La Grande Dame 2008 was to bring the finesse and elegance that Pinot Noir offers in the Grands Crus with 92% Pinot Noir from Veuve Clicquot's historical Grand Crus in Aÿ, Ambonnay, Bouzy, Verzy and Verzenay, and 8% Chardonnay from the House's Grand Cru in Le Mesnil-sur-Oger.

Suggested Retail Price: \$160 (750ml), \$1,000 (3L)

Veuve Clicquot
LA GRANDE DAME
ROSÉ 2008

94 POINTS, WINE SPECTATOR

Madame Clicquot created the first blended rosé in 1818 by adding some red wine to Yellow Label Champagne. With 92% Pinot Noir and 8% Chardonnay, La Grande Dame 2008 Rosé has the same proposition as La Grande Dame Blanc 2008. The rosé blend is obtained by incorporating 14% Pinot Noir red wine from Clos Colin in Bouzy, one of the most historically significant plots in the Veuve Clicquot vineyard and also the most iconic.

Suggested Retail Price: \$315 (750ml)

Veuve Clicquot CAVE PRIVÉE 1982

Cave Privée 1982 is a blend of nine Grands and Premiers Crus from regions in the Montagne de Reims, the Grande Vallée de la Marne, and the Côte des Blancs. It is composed of 66% Pinot Noir and 34% Chardonnay. After two consecutive years with small harvests, 1982 was a particularly abundant year in the Champagne region. In an exceptional September, the grapes ripened to perfection, allowing for an unusual blend.

The nose is rich, with dried fruit, hints of cocoa, salted caramel, and candied citrus. The palate is surprisingly youthful, its minerality emphasizing the wine's freshness. The finish contains notes of sandalwood and dried apricot. This wine's ability to adapt is impressive, allowing its freshness to be enjoyed as an aperitif or in the depth of a full meal.

Suggested Retail Price: \$370 (750ml), \$890 (1.5L)

THIS RARE VINTAGE IS A PART OF THE CAVE PRIVÉE LIBRARY COLLECTION.
OTHER VINTAGES INCLUDE: 1990, 1989, AND 1980.

Veuve Clicquot CAVE PRIVÉE ROSÉ 1979

Cave Privée Rosé 1979 takes us back to the end of a decade that did not otherwise produce many vintages capable of long aging. The exception of 1979 was due to its late harvest and grapes that took time to ripen. It is a blend of 49% Pinot Noir, 5% Meunier, and 27% Chardonnay with 19% red wine from Bouzy.

Suggested Retail Price: \$430 (750ml)

THIS RARE VINTAGE IS PART OF THE PRIVÉE ROSÉ LIBRARY COLLECTION.
OTHER VINTAGES INCLUDE: 1990, 1989, 1978, 1975.

Veuve Clicquot
CAVE PRIVÉE ROSÉ 1990
EN MAGNUM

Cave Privée Rosé 1990 is a blend of 17 different Crus, all classified as Grands and Premier Crus, made from 47% Pinot Noir, 9% Meunier, and 27% Chardonnay. The addition of 19% red wine from grapes in Veuve Clicquot's own vineyards in the village of Bouzy completes the blend.

The 1990 vintage is imposing. It was a year that fulfilled all of the Cellar Master's wishes, with the wine prepared under conditions close to perfection before it was laid into the cellar to mature in all its majesty. The color is attention-getting, with remarkably luminous and sustained glints of copper, and the nose is explosive, with aromas that burst from the glass.

Suggested Retail Price: \$680 (1.5L)

The Chardonnay grape, mainly harvested from the Côte des Blancs and Montagne de Reims terroirs, is at the heart of all our cuvées.

MEET THE WINEMAKER

FRÉDÉRIC PANAÏOTIS CHEF DE CAVE OF RUINART

As a child, Frédéric Panaïotis spent much of his time in the small champagne vineyards of his grandparent, sampling the fruits of their labor. His professional career began with a compulsory training period at The Comité Interprofessionnel du Vin de Champagne, where he studied the méthode champenoise process and specialized in wine clarification.

He joined Ruinart Maison in 2007. As chef de caves, he has the responsibility of creating the blends, from the non-vintage blanc de blancs and rosé to the prestige cuvées Dom Ruinart and Dom Ruinart Rosé. He also plays a significant role in the communication efforts of the maison, traveling extensively to international markets.

Ruinart BLANC DE BLANCS 2007

97+ POINTS, VINOUS MEDIA

Dom Ruinart Blanc de Blancs 2007 is made entirely of Chardonnay Grands Crus, of which 75% are from the Côte des Blancs (Chouilly, Le Mesnil, Oger and Avize), and 25% from the northern slopes of Montagne de Reims (predominantly Sillery and Verzenay).

The palate, which begins smoothly, quickly reveals a thrilling, stony liveliness and a deep intensity structured by notes of green citrus and grapefruit. The sap-infused and chalky finish is framed with an elegant bitter flavor. Dom Ruinart 2007 is a dynamic, sculpted wine that expresses the full purity of fine Chardonnay.

Dom Ruinart is a wonderful match for a carpaccio of scallops millefeuille and black radish with a marinade of first-press organic olive oil and green citrus fruit.

Suggested Retail Price: \$175 (750ml)

"The 2007 Dom Ruinart is the first vintage made entirely by Chef de Caves Frédéric Panaïotis. The citrus, slate, crushed rock, white pepper, mint and floral notes in Dom Ruinart 2007 really sizzle in this powerful, dramatically rich champagne, with bright saline notes that add freshness and vivacity to the striking finish." — Antonio Galloni

Ruinart

DOM RUINART ROSÉ 2007

96 POINTS, VINOUS MEDIA

Dom Ruinart Rosé 2007 is made from 80% Chardonnay from Grand Cru vineyards, with 75% coming from the Côte des Blancs (Avize, Chouilly, Le Mesnilsur-Oger, and Oger) and 25% from the Montagne de Reims (Sillery and Verzenay). With the addition of 20% Pinot Noir made into red wine, coming from the only Grand Cru vineyard in Sillery.

This fine rosé has a deep pink color with delicate copper glints. The nose immediately expresses a warm, sunny aroma, edged with roasted notes of coffee and cocoa bean, and mingled with toffee apple and ripe citrus (tangerine, blood orange, kumquat). On the palate, damson and hibiscus aromas are enhanced with pronounced ripe citrus notes, including blood orange, which echo its olfactory character. The honest and precise impact of the 2007 vintage is impressive on the palate. It brings hints of tree sap, with wonderful freshness on the finish. Dom Ruinart Rosé 2007 is beautifully sculpted and lively. Its low dosage underscores the harmony and complexity of the fine wines that have been blended to produce this cuvée.

Dom Ruinart Rosé 2007 is perfect to serve with both seafood dishes (salmon tataki, marinated tuna) and meat (Bresse poultry, veal). A few additional years of aging will intensify the wine, and it could be paired with the same ingredients but will express more intense, smokier, and spicier notes.

Suggested Retail Price: \$349 (750ml)

"The 2007 Dom Ruinart Rosé is another brilliant wine from Chef de Caves Frédéric Panaïotis in his first vintage at the house. Delicate, nuanced and wonderfully polished, the 2007 is airy and gracious in feel, with superb aromatic intensity and exceptional balance. Sweet floral notes, mint, spice and crushed red berries are all laced together in this very pretty, gracious Rosé. More finesse than power, the 2007 is positively sublime." —Antonio Galloni

Ruinart

DOM RUINART ROSÉ 2004

95 POINTS, VINOUS MEDIA

Following the trend of the previous 10 years, 2004 showed itself to be a rather hot, dry year, without any particular accidents or “hiccups”. After a mild winter and a pleasant spring, the summer was gloomy. Fortunately, September was splendid, as was the harvest. The Dom Ruinart Rosé 2004 blend is 81% Chardonnay from Grand Cru vineyards, with 69% coming from the Côte des Blancs (Avize, Cramant and Le Mesnil-sur-Oger) and 31% from Montagne de Reims (Sillery, Puisieulx); the remaining 19% is composed of Pinot Noir made into red wine, from the only Grand Cru vineyard in Sillery.

Dom Ruinart Rosé 2004 presents a pretty pink robe enhanced with a delicate copper shimmer. The nose is tenderly aromatic, characterized by very ripe, sweet red fruit notes: raspberry, red currant and wild strawberry jelly. Notes of fresh rose petals round out this palette of aromas, adding a slight minerality. The 2004 vintage has a clean, crisp imprint which marks the palate, providing a cutting freshness to the finale. The register is always marked by red fruit and is completed by fully ripe citrus fruit: blood oranges and mandarins. Just like the Dom Ruinart Blanc de Blancs 2004 on which this vintage is based, a low dosage enables the purity and complexity of Champagne’s best Grand Crus to be highlighted.

Dom Ruinart Rosé 2004 complements both fish and meat wonderfully, pairing equally well with salmon tataki or tuna tartare, as with slivers of duck tenderloin, beef tataki or veal medallions. Additional years of maturing will lend more potency to the grandeur and allow for pairings with the same ingredients to take on more intense, smoky and spicy notes.

Suggested Retail Price: \$349 (750ml)

“A wine of exquisite beauty, the 2004 Dom Ruinart Brut Rosé has the pedigree to drink well for several decades. The 2004 is an especially vinous, textured rosé. The berry, floral, spice and mineral-drenched flavors are finely sketched in this dramatic, strikingly beautiful rosé from Ruinart.” — Antonio Galloni

KRUG

CHAMPAGNE

Joseph Krug, the founder of the House, first believed that a House of Champagne should always adhere to a craftsmanship without compromise in order to consistently offer the best regardless of climate variations. Furthermore, Joseph Krug considered that a House of Champagne should craft two cuvées of the same indisputable quality.

Cuvée number one should be the fullest expression of pleasure in champagne recreated every year, Krug Grande Cuvée. Cuvée number two should be crafted only if the year has an exceptional story to tell, Krug Vintage. This is why all Krug Champagnes are prestige cuvées of equal, undisputed quality.

KRUG x MUSIC

Krug is the perfect champagne to be enjoyed with music. The creation of Krug Champagnes is at its heart a musical experience. At Krug, each individual plot and its wine is considered to be a fine musician, contributing its own unique character and vitality to the final blends. When Krug and music come together, the creative possibilities are endless. From traditional rhythms to modern beats, sample the sounds that emerge as you continue your Krug journey: every style is sure to add something new to the tasting experience.

Krug Clos du Mesnil 2004 exalts the crisp purity of this single walled plot of vines in the village of Le Mesnil-sur-Oger, of a single grape variety - Chardonnay, from a single year - 2004.

Located in the heart of the village of Le Mesnil-sur-Oger, one of the most iconic villages for Chardonnay in the Champagne region, this vineyard of 1.84 hectares has been protected by walls since 1698. The House chose to create Krug Clos du Mesnil 2004 because that year succeeded in offering ideal conditions for the maturation of beautiful grapes, with the promise of revealing the full potential of this plot. After 12 years in Krug's cellars, it reveals a precise signature and a striking grace.

"Evocative of a Bernini sculpture, this vibrant champagne is equally about the statuesque frame of acidity and chalky underpinning as it is the finely honed details, including the silken texture, the aromas of lime blossom, saffron and incense, and the expressive, woven range of crème de cassis, espresso, kumquat, crystallized honey and toast flavors. Long and focused, echoing the rich profile on the finish." —Wine Spectator

This tiny walled plot of 0.68 hectares is located in the heart of Ambonnay, one of the most distinguished villages for Pinot Noir grapes in Champagne and the main source of Pinot Noir for the House of Krug since its very earliest years.

It exalts the intensity of this single walled plot of vines in the village of Ambonnay and of a single grape variety - Pinot Noir, from a single year - 2002. "Pure Chardonnay from the walled vineyard in the heart of Le Mesnil, this intense wine from a great vintage is tight and mineral, still showing hints of toast from its barrel fermentation. With its taut texture, complex acidity and crisp citrus, it's very young, but will age indefinitely. Showing the beauty of Chardonnay in champagne at its best, it will certainly still be impressive come 2030."— Wine Enthusiast

Dom Pérignon
VINTAGE 2008
LENNY KRAVITZ
LIMITED EDITION
EN MAGNUM

Dom Pérignon Vintage 2008 has been distinguished globally as an exceptional champagne. On the nose, the opening bouquet is complex and luminous, a mingling of white flowers, citrus and stone fruit. The overall effect is enhanced by the freshness of aniseed and crushed mint. The final aromas are starting to show spicy, woody and roasted notes.

There is complete balance between the nose and the palate. Its slender, minimalist, pure, toned, athletic character now also expresses itself with warmth. The fruit is pronounced and clear. The vintage's characteristic acidity is incredibly well integrated in this wine. Its persistence is mainly aromatic, grey, smoky and highly promising.

This unique limited edition of Dom Pérignon Vintage 2008 was designed by Lenny Kravitz, who is marking his second year in collaboration with Dom Pérignon as Creative Director. In 2019, Kravitz applied his talent as a designer to the brand by creating a limited-edition bottle. He elevates the iconic label on the Vintage 2008 bottle by borrowing from the craft of goldsmiths to work hammered metal on the surface of the shield.

The Magnum version is a collector piece, personally signed by Lenny Kravitz, with a gift box that also transforms into a decorative candle holder. There are only 45 pieces available in the United States.

Dom Pérignon ROSE 2006

Dom Pérignon Rosé is a tribute to Pinot Noir. To work with Pinot Noir continually requires excellence and humility. In that regard, Dom Pérignon Rosé is a paradox to the point of contradiction as it is the perfect balance of Chardonnay and Pinot Noir. Although it took over 10 years to reach the light of day, the color of Dom Pérignon Rosé dares to express all the tension between youth and maturity, between exhibition and restraint.

Dom Pérignon Rosé Vintage 2006 comes from the harvest of a warm, dry year marked by contrasts: the intensely hot July, the cool damp August and the heat of September. The vintage was saved by this last miraculous heatwave.

The bouquet is mesmerizing, ripe and deep. The opening notes are a blend of dark spicy notes and cocoa which develop very quickly into a fruit aromas. Fruit reigns supreme, with roasted fig, apricot and candied orange. The overall effect exudes smoky overtones. The fullness of this wine is immediately striking. Its intensity and succulence set the tone through the sweetness and crispness of the flavors. The silky mouthfeel melts into a smooth, tight and grainy structure with just a hint of vegetable flavors. This wine expresses an appealing brinness and saline character.

Dom Pérignon P3 1971

96 POINTS, VINOUS MEDIA

1971 experienced a cold, dry winter and spring frosts that affected a considerable part of the vineyard. Flowering in June took place in difficult, stormy conditions. The harvest began on September 18.

P3 1971 is intense and incisive as well as complex. Fruit notes and roast, toasted, and spicy aromas succeed each other and mingle, creating a bouquet evoking a certain restraint. The sensation is one of remarkable freshness, structure, fullness and power. The finish is impressive, reminiscent of elegance and persistent vigor with nuances of smoked wood and peppery vanilla.

Suggested Retail Price: \$2,245 (750ml)

THIS RARE VINTAGE IS A PART OF THE P3 LIBRARY COLLECTION. OTHER VINTAGES INCLUDE: VINTAGE 1988, VINTAGE 1985, VINTAGE 1983, VINTAGE 1982, VINTAGE 1970.

Dom Pérignon P3 1988

In 1988, a particularly mild and rainy winter was followed by a warm, dry spring. Flowering occurred early and quickly during the warm, sunny month of June. Heavy rainfall in July was followed by hot, dry weather from early August to mid-September, creating excellent conditions for the maturing process.

P3 1988 reveals itself in successive waves of dried flowers, orange peel, gingerbread, exotic tobacco, and grilled aromas. The palate is sophisticated: tense, incisive, serious, and silky all at once, with a patina. The finish is firm and surprisingly fruity, with an unusual satiny note.

Suggested Retail Price: \$1,025 (750ml)

Dom Pérignon P3 1990

During 1990, the vines, whose budding got off to an early start, were severely affected by frosts in April. Although flowering was limited by low temperatures and rain, it was compensated for by a very high number of large bunches. The sultry summer heat continued up to the ample rainfall in the days preceding the harvest, which took place from September 11th to 20th.

Complex aromas of roasted coffee and woody spice quickly merge with notes of barley sugar and dried citrus peel in P3 1990. It has a penetrating, harmonious, precise richness without opulence. Persistent notes of candied citrus peels affirm themselves, becoming a vigorous and silky blend.

Ao Yun

Ao Yun means “roaming above the clouds,” in tribute to the thick, wandering clouds of this incredible part of China and its deep and storied past. Unique in Moët Hennessy history, Ao Yun is a new winery creation.

In the remote northwest corner of Yunnan province lies the legendary Shangri-La, a hidden paradise among the Himalayan Mountains. Our vineyards are located in Adong, Xidang, Sinong and Shuori, just below the sacred Meili Mountain at soaring heights from 7,200 to over 8,500 feet. It is truly the dream of any winemaker to discover a new region with fantastic potential, rich culture and breathtaking landscapes.

“The altitude also means high light. Intensity, exceptional photosynthesis, concentration, thick skins, small berries and deeply colored wines.”
—Maxence Dulou, Ao Yun Winemaker

ASK THE WINEMAKER

What makes this creation the perfect gift to give?

Ao Yun is more than a great wine from the Himalayan part of China, it is a human adventure pushing the limits of winemaking. The goal behind creating Ao Yun was not only to produce the first Grand Cru of China, but to push the boundaries of winemaking as many know it. Through our initial journey of over 10 years to find the ideal terroir, Ao Yun and our winemaking team pay tribute to the details, including grape selection by hand, attention to detail in every hectare, and understanding of the region and climate.

Who would you recommend gifting this product to?

We recommend gifting Ao Yun to those who are eager to discover a new expression of Cabernet Sauvignon from an unexpected terroir.

What is your favorite food pairing with this quality?

Ao Yun 2015 offers a unique freshness in the mouth and in the nose that make it very different from other Cabernet Sauvignons in the market. Ao Yun pairs well with premium natural ingredients such as hearty meat dishes prepared with grass-fed beef or game, cooked fish or sashimi, fruits, and vegetables.

Born of a trailblazing vision, Newton's ambition is to create wines that combine a signature expression of the Napa Valley with a character all of their own.

Newton has been making wines ever since the English businessman Peter Newton and his Chinese wife Su Hua purchased a square mile of rolling hillside in Spring Mountain in 1977, which they then converted into one of the most prestigious estates in the Napa Valley. It took only two years for the Newtons to release their first Cabernet Sauvignon. They went on to pioneer an innovative approach by championing unfiltered winemaking, which they believed uniquely expressed the true essence of the fruit.

MEET THE WINEMAKER

ALBERTO BIANCHI
WINEMAKER, NEWTON

Alberto Bianchi joined Newton as Winemaker in 2015, following a year-long stint in 2014 as part of the Early Career Winemakers Program initiated by Estates & Wines - an intensive period of training that took him first to Argentina, as Assistant Winemaker at Terrazas de los Andes, and finally to Cloudy Bay, New Zealand.

Prior to joining LVMH, Italian-born Alberto had gained a Bachelor's degree in Viticulture and Oenology from the University of Milan, following it up with a double Masters in Oenology and Viticulture Science from the Universities of Turin and Lisbon. He then travelled extensively, discovering the great winemaking destinations of the New World, notably Blenheim, New Zealand, and Cape Mentelle, Australia.

Newton Vineyard SINGLE VINEYARD CABERNET TRILOGY 2015

Newton Vineyard encompasses 170 acres of prime Napa Valley terroir, stretching over the Spring Mountain District, Yountville and Mount Veeder appellations. For forty years, the estate has produced wines that are characterful expressions of the Napa Valley's emblematic varieties, notably Cabernet Sauvignon.

SPRING MOUNTAIN CABERNET SAUVIGNON

WINE SCORE: 95 POINTS, DECANTER

The historical Newton vineyard on Spring Mountain, home to the winery, is characterized by an intricate patchwork of plots with a complex combination of both sedimentary and volcanic soils that are perfectly suited to Cabernet Sauvignon. The 2015 Spring Mountain Cabernet Sauvignon shows restrained power and complexity. The wine is richly textured with fine gravelly tannins.

YOUNTVILLE CABERNET SAUVIGNON

WINE SCORE: 98 POINTS, DECANTER

Newton's hillside vineyard, established in 1973 on the lower slopes and foothills of the Mayacamas Mountains, is unique in the combination of fertile alluvial valley floor and rocky lean hillside soils. The 2015 Yountville Cabernet Sauvignon is a truly classic Napa Cabernet, revealing opulent dark fruits and a fine and velvety structure. This wine received a gold medal for "Best in Show" at the prestigious Decanter world wine awards.

MOUNT VEEDER CABERNET SAUVIGNON

WINE SCORE: 96 POINTS, DECANTER

Located in the Mayacamas Mountains on the Western edge of the Napa Valley, Mount Veeder is home to rugged mountain vineyards. The 2015 Mount Veeder Cabernet Sauvignon is a vibrant, rich and intense wine defined by its fine, linear, graphite-like tannins.

Suggested Retail Price: \$600 (3 x 750ml)

ASK THE WINEMAKER

What makes this creation the perfect gift to give?

This trilogy will entice customers to explore through wine three of the most outstanding terroirs of Napa Valley in a vintage, 2015, of concentration and structure.

Who would you recommend gifting this product to?

We recommend offering this giftbox to wine lovers who are ready to explore the essence of Napa Valley through its different terroirs and appellations.

What is your favorite food pairing with this quality?

We would pair each wine differently: Single Vineyard Spring Mountain pairs well with port-braised short ribs with herbs.

The richness of the dish is complimented by the vibrancy of the spring mountain single vineyard, which exudes bramble fruit, black cherry, and a faint perfume you would encounter in a temperate forest. Single Vineyard Yountville is a classically-styled Napa Cabernet that pairs perfectly with a dry-aged ribeye steak and blue cheese. Single Vineyard Mount Veeder is a structured and earthy wine that pairs well with the gaminess found in rack of lamb and the umami and richness of black truffle. When pairing the wines together, we suggest a seared lamb loin, grilled yukon potatoes, cabernet jus and rosemary crumble, or slow roasted beef tenderloin.

N BODEGA NUMANTHIA

Bodega Numanthia draws its strength from an extraordinary history just as our vines draw their own roots in the depths of the soil. Bodega Numanthia is a living tribute to the fearless warriors of Numancia in Spain, whose inhabitants heroically resisted the Roman army and finally preferred to sacrifice their lives rather than surrender. Later, in the 19th century, the region's vineyards resisted the phylloxera crisis that wiped out almost all vineyards in Europe. Ungrafted, the Toro vines of Bodega Numanthia reach now from 70 to 120 years old and show unique shapes. Bodega Numanthia is a tale in which nothing is impossible, where visionary winemakers shape the touchstone of outstanding wine for decades to come.

Firmly rooted into Spanish history and terroir, Bodega Numanthia is the birthplace of powerful and intense wines, iconic incarnations of the prestigious Designation of Origin Toro.

ASK THE WINEMAKER

What makes this creation the perfect gift to give?

Termanthia's 2011 re-release offers the unique opportunity to try Bodega Numanthia's iconic wine and the best-kept treasure of Toro. The meticulous care taken by many generations of vine-growers has allowed our legendary vineyards - home to vines over 100 years old - to survive over decades. Resistance to the extreme climate conditions of Toro and to the phylloxera plague has given these ungrafted vines a strong and powerful character, while allowing them to remain delicate and elegant. In crafting this wine, we have selected each grape by hand, pressed them by foot, and patiently let them age in new French oak barrels for 22 months. Afterwards, the bottles have been celled for six

years before their release. We have ensured that every detail counts when creating this exclusive wine, which launches eight years after harvest. When you taste Termanthia, you will discover an experience unlike any other.

Hennessy

From the French region of Cognac and throughout its over 250-year history, Hennessy has proudly perpetuated an exceptional heritage based on adventure, discovery and cultivating the best that nature and craftsmanship can offer.

Hennessy uses a unique distillation method in which each batch of wine is double-distilled to achieve the most flavorful, elegant *caux-de-vie* (“water of life”) possible. The *caux-de-vie*, of which Hennessy has the largest and oldest collection in the world, is matured in French oak casks from the Limousin forests in central France for a minimum of two years.

For over 200 years, Hennessy has worked side-by-side with the Fillioux family who serve as producers or blenders of *eaux-de-vie*. The collaboration and shared passion of two families is unique in the cognac world and is at the heart of Hennessy’s legacy. Hennessy’s success and longevity are the result of the values the Maison has upheld since its creation: unique *savoir-faire*, a constant quest for innovation and an unwavering commitment to Creation, Excellence and Legacy. Today, these qualities are the hallmark of a House that crafts the most iconic, prestigious cognacs in the world.

MEET THE TASTING COMMITTEE

Selecting the finest *Eaux-de-vie* is the secret to crafting the best cognac. Every morning at 11:00 am on Rue de la Richonne in Cognac, the Comité de Dégustation, or Tasting Committee, reviews 50 samples of *eaux-de-vie*. Composed of seven members, including the Master Blender, the Committee tastes, rates and selects the *eaux-de-vie* that will eventually be blended into Hennessy Cognacs.

The 8th generation Master Blender, Renaud Fillioux de Gironde, is the showrunner of Hennessy Cognac. Each year, he selects only the most promising *eaux-de-vie* to become part of the Hennessy reserve. He then patiently oversees their maturation until they are finally ready to be blended into exceptional cognacs.

Contrary to other spirits, aging is not the only factor that matters in the quality of cognac. Only a meticulously selected blend of fine *eaux-de-vie* make for a distinct, superior cognac.

Hennessy PARADIS

Paradis is named after the special section in the Hennessy aging cellars where the finest, rarest, and oldest eaux-de-vie are carefully guarded. Created in 1979, the blend was conceived to be superlative yet subtle, making some of Hennessy's most precious spirits widely available for the first time.

Possessed of rich successive aromas that only a great cognac can obtain, Paradis reveals its delicate and velvety character, hinting at the silky texture that will follow. Its subtle texture allows it to gracefully blossom with a deep and fragrant persistence.

A classic, unique and harmonious expression of the Hennessy Maison.

Hennessy
PARADIS IMPÉRIAL
THE JEWEL OF THE HENNESSY COLLECTION

Created by 7th generation Master Blender Yann Fillioux in 2011, Hennessy Paradis Impérial exemplifies ultra-precise selection, maturation, and blending. Only 10 out of 10,000 eaux-de-vie of any given vintage are eligible to become part of this blend. Hennessy Paradis Impérial's unexpected light color, vibrant finesse and unprecedented persistence defy preconceptions about high-luxury cognacs.

In 2019, artist Arik Levy created a crystal-cut decanter, including more facets and curves to enhance the contemporary character of Paradis Impérial. The box, inspired by the Master Blender tasting book, includes wood as a nod to the barrels used to age eaux-de-vie and copper elements just like the stills hiding the secrets of distillation.

Regarded as the most exceptional and contemporary spirit in the world, Hennessy Paradis Impérial makes an ultra-impressive gift.

As the most heavily peated of all Islay malts, Ardbeg is known for its powerful, yet balanced flavors. GLENMORANGIE

SINGLE MALT SCOTCH WHISKY

In 1843, William Matheson founded the Glenmorangie Distillery in the Scottish Highlands. Inspired by the distillery's peaceful surroundings on the banks of the Dornoch Firth, he brought forth a pioneering Single Malt Scotch Whisky that was wonderfully complex and exceptionally smooth. Ever since, we have pursued our craft with uncompromising dedication in our quest for perfection. To this day, we honor the distillery's provenance in our award-winning Single Malt. Its pure, smooth spirit is distilled in Scotland's tallest stills and matured in the finest casks, only ever used twice. Guided by founder William Matheson's vision, the know-how has been passed down from century to century by the Men of Tain, who handcraft our whisky using time honored traditions, skills, and expertise. Every bottle of Glenmorangie is created using local Scottish barley and water from the distillery's proprietary water source, the Tarlogie Springs. Glenmorangie is more than just a Single Malt, it is a legacy.

Our commitment to SUSTAINABILITY

Allowing nature to shine is our mission at Moët Hennessy, and the reason our Maisons are at the forefront in managing and protecting the environment. To preserve their age-old heritage, they have worked for many years to consolidate their commitments and develop a responsible long-term environmental approach.

Hennessy has been demonstrating its commitment to sustainable development for more than 25 years. The Champagne Houses have been working on integrated viticulture since 1990. Hennessy created an Environment Commission and achieved ISO 14001 certification in 1998. Veuve Clicquot and Hennessy established the first carbon impact assessments in the wine and spirits sector in 2002. This provides a mechanism to monitor energy consumption and to outline and implement long-term action plans to reduce environmental impacts.

The Maisons' commitment to sustainability is essential to ensuring that future generations are able to experience the exceptional character of their terroir. Each strives to be a leader in the field and a driving force for the whole network. In this respect, the distribution of sustainable development best practices among other players in our areas of activity is paramount to ensuring collective progress. Moët Hennessy has been working for years to identify areas for improvement and progress.
