THE END OF THE TRAIL IS WHERE THE REAL ADVENTURE BEGINS.

There are better things to flow with than traffic, and Expedition is how you can get to them. Expedition has the capacity you need—it'll tow up to 8,100 pounds (properly equipped) and seat up to nine. Expedition is also equipped to help keep you safe and secure, with features that include four-wheel ABS, Second Generation driver and front passenger airbags all standard (and available front seat side airbags).

When you're heading down the two-track, it's a good thing the protective, optional skid plate package (4x4 only) is there to help shield the transfer case from things that go bump.

The available Class IV Trailer Tow Group provides over four tons of towing potential (requires aftermarket weight distributing equipment for loads over 5000 lbs).

INTRODUCING THE OPTIONAL NO BOUNDARIES GROUP

The new optional No Boundaries Group.

It's an exclusive option to the already great looking Expedition XLT. From the front, its chrome grille surround and fog lamps say it all. Bold. Clean.

It virtually shouts that you're coming over the mountain. And for those standing on the side of the road as you make your way north, we've included special 17" five-spoke aluminum wheels, OWL tires, illuminated running boards, chrome (yes, more chrome) exterior mirrors, Black Clearcoat exterior, color-keyed body side moldings with bright inserts and body-colored wheel-lip moldings.

All-in-all, it's an introduction

Mother Nature won't soon forget.

^{*}Always wear your safety belt and secure children in the rear seat.

POWER AND CAPABILITY

The Triton™ 5.4L SEFI V8 engine, standard on Eddie Bauer 4x4, generates 260 HP@4500 RPM. Triton is the first line of engines in the full-size SUV class to have a fail-safe cooling system that helps protect the engine from damage due to coolant loss. The Triton 4.6L SEFI V8, standard on XLT and Eddie Bauer 4x2, generates 240 HP@4750 RPM and 293 ft-lb of torque at 3500 RPM.

16" styled steel wheel
P255/70Rx16 BSW A/S tire.
Standard on XLT.

16" cast aluminum wheel P255/70Rx16 BSW A/S tire. Included in optional Comfort and Convenience Group.

(A) 17" 10-spoke cast aluminum wheel. Available with XLT Premium Sport Appearance Group. (B) 17" 5-spoke aluminum wheel. Available with No Boundaries Group.
(C) 17" chromed steel wheel. Standard on Eddie Bauer. P265/70Rx17 OWL All-Terrain tire (4x4) P275/60Rx17 OWL All-Season tire (4x2).

(Below) Expedition XLT shown with optional equipment including the Premium Sport Appearance Group's Dark Graphite Sport-woven cloth seats.

Expedition Eddie Bauer with Medium Parchment leather-trimmed Captain's Chairs in front and optional leather-trimmed second-row Captain's Chairs. Shown with optional equipment.

Expedition XLT instrument panel in Medium Graphite (Below).

Shown with Premium Sport Appearance Group and other optional equipment.

WE THOUGHT OF EVERYTHING. AND THEN PUT IT IN HERE.

MACH Audio System, standard on Eddie Bauer, provides 290 watts of power, seven speakers and speed-sensitive volume.
Optional radio-controlled CD changer (shown).

It takes a generous interior to offer not just the lap of luxury, but seven of them. The Expedition Eddie Bauer interior is almost generous to a fault, with available heated power front seats. Optional Captain's Chairs in the second row. Standard electronic automatic temperature control. Rear auxiliary heater/air conditioner (for the many passengers behind the front row). Power flip-out rear windows (ditto). Cupholders for every seat. If you want everything, Expedition is really something.

The power moonroof gives
Expedition an open-air feel,
and includes a full shade.
Optional on Eddie Bauer and
XL T (requires Premium Sport
Appearance Group).

GEAR

GREAT GEAR

DEALER ACCESSORIES

Wherever your dream destination may be, your Ford Dealer can help you outfit your SUV with a wide range of dealer-installed gear. Be sure to check with them for availability and selection.

Keep the cargo area neat and clean with a custom-fit cargo mat.

Run out of room?
This removable Yakima
cargo basket is a great way
to expand storage.

Mud flaps help keep debris from harming your SUV's finish.

Ford Credit's Red Carpet Lease
Many lease managers have completed
many hours of training in a Red Carpet
Lease program designed to make us
the best in the business.
We think you'll find a Red Carpet Lease
the best way to lease.

Under the New Vehicle Limited
Warranty, you'll receive bumper-tobumper no-deductible coverage on your
new Ford vehicle for 3 years/36,000
miles. You'll also receive unlimitedmileage, no-deductible corrosion
perforation coverage for five years.
Ask your Ford Dealer
for a copy of this warranty.

During its 3-year/36,000-mile limited warranty period, every new Ford vehicle includes the assurance and support of a 24-hour emergency Roadside Assistance program. Roadside Assistance includes such services as fuel delivery, tire changes, jump starts, and help when you are locked out of your vehicle.

Ask your Ford Dealer for complete details about this program.

Complete information on our vehicle lineup is available on our web site. To get more information before you visit your Ford Dealer, please visit us at www.fordvehicles.com.

Likewise, to get details on various financing options available on your new Ford vehicle, please visit our web site at www.fordcredit.com.

Doing so can give you a head start before talking to your Ford Dealer about financing your new Ford vehicle.
