

2006 **RAINIER**

2006 BUICK RAINIER 

THE STRENGTH OF AN SUV. THE CHARACTER OF A BUICK.

Every Buick shares a dedication to fulfilling an extraordinary standard of quality. That is defined by its quiet ride, technological refinement, exceedingly high level of craftsmanship, effortless performance and graceful approach to design. It also encompasses precision manufacturing techniques and unparalleled reliability. What distinguishes this Buick is that it's also tremendously strong and capable in the way only a well-built, full-frame SUV can be. A Buick that is powered by a robust engine lineup, featuring the award-winning 291 horsepower Vortec 4200 in-line 6, and the 300 horsepower Vortec 5300 V8. A Buick that is also equipped with standard all-wheel drive and the StabiliTrak vehicle stability enhancement system. Then begin considering the possibilities: how out-of-the-way destinations are no longer out of the way; and how you can load an array of articles inside or on a trailer. Rainier: The only SUV with Buick's unrivalled quality and luxury.

Every Buick is built with exquisite care to exceptionally high standards, achieving a level of quality that ranks Buick among the elite. Every Buick is also equipped with the enhanced safety and security of OnStar, and employs QuietTuning for a supremely quiet ride. And now, for 2006, every Buick is backed by a new comprehensive four-year/80,000 km warranty* that solidifies Buick's position as one of the world's premium automakers.

*Whichever comes first.

For more information about Rainier visit our Web site at rainier.gmcanada.com

EXTERIOR

THE STRONG, SILENT TYPE.

Take the confidence inspired by a tremendously capable SUV. Marry it to a cabin that is incredibly quiet and wonderfully accommodating. And house it in a form that is brazen, without being showy. All the makings of an extraordinary vehicle. Rainier.

Rainier CXL V8, shown in Platinum Metallic.

It isn't only Buick quality that is apparent in Rainier; the distinctive Buick grille is outlined by contrasting accents on the front fascia.

EXTERIOR 

THE SOLIDITY OF AN SUV. THE ELEGANCE OF A BUICK.

With Rainier, all elements are fused together seamlessly. That is evident in the way the sculpted lines make a firm statement, without ever forming a hard edge. Or the way the high-output headlights integrate with the front fascia and the distinctive Buick grille. At the same time, Rainier's presence is strong, highlighted by its assured stance and eight-spoke, 17-inch aluminum wheels. Never before has there been an SUV this elegant, and a Buick this capable.

The name does say it all: the Buick name sets the tone, as it is emblazoned on the door sills in brushed and polished metal.

The heated power exterior mirrors feature integrated turn signals and a memory function.

INTERIOR

Rainier features power eight-way front bucket seats that include variable heaters with separate seat cushion and seatback controls.

Steering wheel-mounted audio system, climate system and Driver Information Centre controls allow you to make adjustments without taking a hand off the wheel.

Dark walnut wood grain-like trim and elegant chrome door handles create an aura of luxury throughout the interior environment.

The dual-zone automatic climate control allows the driver and front passenger to choose different temperature settings.

INTERIOR 

AN EXCELLENT FORM OF RELAXATION.

It begins with a feeling – a tailored form of comfort that is precisely defined by the leather-appointed power eight-way front bucket seats. They enable you to choose your preferred seating position, and to access that position again through the memory function. The seats also feature variable heaters with separate controls for the seat cushion and seatback. The automatic dual-zone climate system offers you as much control over front-seat temperature as your seating. And the power adjustable accelerator and brake pedals help you find your ideal driving position. A truly comfortable cabin environment: relax, we've already taken care of it.

INTERIOR FEATURES 

SOMETIMES THE BEST SOUND IS SILENCE.

Rainier's interior can showcase a variety of different capabilities simultaneously. Its incredible versatility enables it to adapt to an ever-changing mix of passengers and cargo. The rear seats fold down to create a flat loading floor that provides a substantial 2269 L (80.1 cu. ft.) of cargo capacity. That defines the quantity of space inside Rainier; the quality is defined by its QuietTuning. Twenty-six distinct components were specifically engineered to insulate the cabin from exterior noise, which produces an exceptionally quiet – and exceptionally versatile – interior.

LEFT: The available Bose audio system includes six Bose speakers, each driven by a dedicated Bose amplifier. The system was equalized and optimized specifically for Rainier's acoustic environment.

TOP RIGHT: The available rear DVD entertainment system includes a 178 mm (7 in.) roof-mounted flip-down LCD colour screen, a remote control and two wireless headphones.

BOTTOM RIGHT: The available DVD-based navigation system uses Global Positioning System technology to show your exact location. The navigation system has the ability to recommend routes, and shows the locations of gas stations, restaurants and points of interest.*

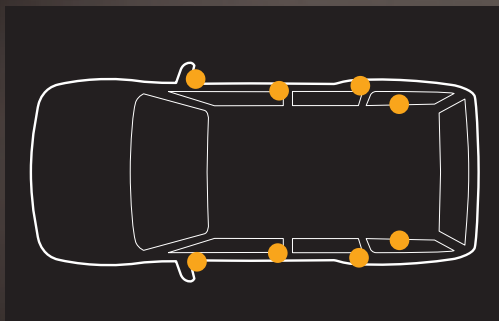

*At time of print, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. Choose the factory navigation option and you will receive an updated navigation DVD each of the first two years following your purchase.

The rear seats can be folded down to create a flat loading floor.
An underfloor storage area conceals smaller items.

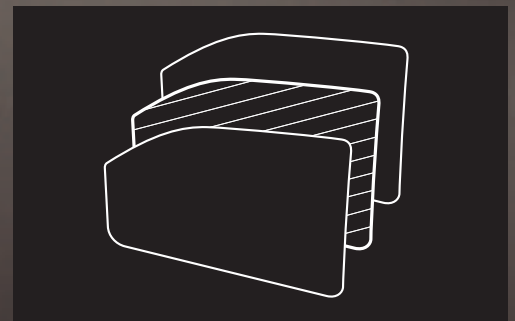

p. 11

Rainier's signature quiet ride is the product of QuietTuning, which incorporates 26 acoustic absorbers and seals throughout the vehicle. The instrument panel, chassis and engine idling are also each tuned to a different frequency to significantly reduce vibration.

Even the tires are engineered to produce a quiet ride. The unique tread pattern offers excellent grip, while generating minimal tread noise.

Acoustic laminate windshield and laminated front side-window glass also serve to reduce the amount of sound entering the passenger compartment.

TECHNOLOGY 

POWER COMES WITH ITS OWN SET OF PERKS.

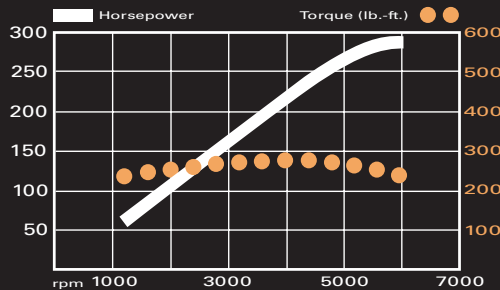

It's all about confidence – the sense of authority you have behind the wheel when you know your vehicle has an abundance of power. With Rainier, that is beyond a shadow of a doubt. The standard Vortec 4200 in-line 6 delivers the most standard base model horsepower in its class.* And it's been named one of Ward's Ten Best Engines four years in a row.

The available aluminum block Vortec 5300 V8 delivers even more power, and it incorporates Displacement on Demand technology improving fuel efficiency. Behind the wheel of Rainier, you're in power.

*Based on 2005 Model Year data for GM Medium Utility segment and the latest published competitive information available at the time of printing. Excludes other GM vehicles.

TECHNOLOGY/SAFETY 

4.2L Vortec 4200 I-6

The Vortec 4200's in-line design, dual overhead camshafts and variable exhaust valve timing contribute to its output of 291 hp and 277 lb.-ft. of torque.

5.3L Vortec 5300 V8

The Vortec 5300 V8 generates 300 hp and 325 lb.-ft. of torque. For 2006, the engine employs Displacement on Demand, shutting down four cylinders in low-demand situations to maximize fuel economy.

It isn't only Rainier's engines that are extremely strong. The steel ladder frame uses precise, lightweight, hydroformed side rails to form a solid foundation.

Computer-controlled air springs in the rear suspension continually adjust to compensate for varying loads. The result is a smooth, quiet ride.

ADVANCED TECHNOLOGY EQUALS ADVANCED SAFETY.

When the standard StabiliTrak dynamic vehicle control system detects a lateral skid, it automatically compensates by adjusting braking and power to return the vehicle to your intended driving line.

It should come as no surprise to learn that Rainier is tremendously well equipped. It is a Buick, after all. But what is extraordinary is how the extensive use of the latest technology provides such an advanced safety package. Simply scan the list of standard features: the StabiliTrak vehicle stability enhancement system, OnStar, all-wheel drive, power adjustable pedals, and an electrochromic auto-dimming rear-view mirror. And that's only what is most newsworthy. With Rainier, peace of mind is perhaps the most important standard feature.

In low-traction situations, Rainier's standard all-wheel-drive system and locking rear differential automatically redistribute engine torque to the wheels with the most traction.

A FITTING ADDITION TO YOUR RAINIER.

Accessories

Rainier is designed and manufactured with you in mind. Yet you can make your Rainier truly unique – a personal statement of your style and sensibilities – through the addition of selected GM Accessories. They are the only accessories that are integrated into the process of designing your vehicle, ensuring excellent fit, finish and functionality. And only GM Accessories are backed by Buick's 4-year/80,000 km New Vehicle Limited Warranty.* They can also be included in your new-vehicle lease or finance agreement through GMAC. Ask your dealer for a complete list of the GM Accessories available for Rainier, or visit gmcanada.com

*Whichever comes first, when permanently installed by the dealer at the time you purchase or lease your new vehicle.

ACCESSORIES & ONSTAR

GM Accessories available for Rainier include:

- Splash guards
- All-weather floor mats
- Cargo tray
- Cargo organizer
- Rear air deflector
- Ventvisors.

Every Buick is defined by a host of complementary qualities. Among them is the unparalleled combination of safety, security, and convenience provided by OnStar.* OnStar uses advanced communications technology to enhance your peace of mind whenever you're in your Rainier. All it takes is a single push of the blue OnStar button usually located on the interior rear-view mirror, in the overhead console, or near the radio display – the button connects you with one of our specially trained OnStar Advisors. They are standing by, ready to provide support 24 hours a day, 365 days a year.

What can OnStar Advisors do for you? They can provide a wealth of information and perform a variety of services, including a remote diagnostic check of your vehicle's engine and electrical components. In an emergency, an Advisor will attempt to locate your vehicle, find out what assistance you need, and notify nearby emergency service providers. And if air bags are deployed in your vehicle, an Advisor will contact you to determine if you are in need of assistance.

Another convenient feature is OnStar Hands-Free Calling, a hands-free, voice-activated wireless technology integrated into your vehicle. It's there in case your hand-held phone is lost, forgotten or has a low battery. Even better, there are no additional monthly fees, or additional long distance and roaming charges. And as a new customer, you will receive 30 complimentary minutes good for two months after activation.

Now you can enjoy the peace of mind that comes with knowing you're doing all you can to help keep you, your family, and your vehicle safe. Just ask the almost 150,000 people who have become OnStar subscribers in Canada. How hard does OnStar work for you? The facts speak for themselves: every month in Canada OnStar Advisors handle an average of 9100 routing calls, 2500 emergency calls, 2600 door unlocks, and 625 Roadside Assistance dispatches.

OnStar offers two different service plans, allowing you to select the services that are most convenient for you. The Safe & Sound Plan is included for the first year on Rainier. In addition, the available Directions & Connections Plan offers all the safety and security services included in the Safe & Sound Plan, plus you'll have access to driving directions, information and convenience services and RideAssist. See your dealer for more information on plans and services.

*OnStar services require vehicle electrical system (including battery), wireless service, and GPS satellite signals to be available and operating for features to function properly. Not all OnStar features are available on all vehicles. OnStar Hands-Free Calling requires a Hands-Free enabled vehicle, existing OnStar service contract, and prepaid calling minutes, and is not available in Alaska and some other markets. Calls may be made to the U.S. and Canada only. OnStar voice recognition system may not work with some voices. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Due to the transition of the wireless industry from analogue to digital technology, as of January 1, 2008, OnStar plans to offer service only through equipment that operates on the digital network, which may require the purchase of a system upgrade for eligible vehicles. Call 1.888.4.ONSTAR (1.888.466.7827), TTY 1.877.248.2080 or visit onstar.ca for OnStar's Terms & Conditions, Privacy Policy, and system limitations and details.

COMMITMENT:

We're committed to engineering and manufacturing Buick Rainier so that it is an absolute pleasure to drive. And that's just the beginning. We're also committed to making the ownership experience just as responsive to your specific needs. You'll find that our comprehensive support programs make it easier to purchase or lease a Buick. They also help to protect you and your vehicle down the road. A powerful example of the level of protection you can expect is the Buick New Vehicle Limited Warranty. It's so thorough it covers your vehicle from the roof right down to the tires. So when you drive off the lot of your Buick dealership, you can do so with total confidence. Peace of mind is knowing that your vehicle is built for the long haul, and is backed by a comprehensive warranty.

THE BUICK NEW VEHICLE LIMITED WARRANTY:†

The Buick New Vehicle Limited Warranty is your promise of total warranty protection. It covers every new Buick Rainier for four years or 80,000 km.* Complete vehicle repairs are covered,** including parts and labour, with no deductible. The warranty includes:

- 4-year/80,000 km* complete vehicle repair coverage
- 6-year/unlimited km corrosion perforation coverage
- 8-year/130,000 km* coverage on catalytic converters and powertrain control modules (PCMs).

*Whichever comes first.

**To correct any defects in material or workmanship occurring during the warranty period.

Regular maintenance is not included, nor is excessive wear and tear caused by reckless or negligent driving.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:†

- **Roadside Assistance** – 24/7 service via toll-free number during your warranty period, anywhere in Canada or the United States
- **Courtesy Transportation** – may be offered during the warranty period
- **GM Protection Plan (GMPP)** – the only extended services contract backed by the resources and commitment of General Motors, GMPP may be purchased at the time of your sale or lease, or subsequently
- **GM Mobility Program** – you may be eligible for reimbursement of up to \$1000 (taxes included) for adaptive equipment for your GM vehicle
- **GM Accessories** – personalize your vehicle with GM Accessories, specifically engineered for your new GM vehicle
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **GMAC Financing** – on the spot financing at your GM dealership††
- **GMAC SMARTLEASE** – a smart alternative to traditional financing††
- **The GM Card** – eligible cardholders may be able to redeem up to \$3500 on GM Card® Earnings toward the total purchase price or lease down payment on selected vehicles. For more information on The GM Card please call 1-800-461-3279.†

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM Web site at gmcanada.com
- The GM Customer Communication Marketing Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users) – for information about any GM product or service, including The GM Card and the GM Mobility Program
- For information about GMAC, visit gmcanada.com or call 1-800-616-4622.

††Conditions and limitations apply.

RAINIER STANDARD & OPTIONAL FEATURES

SAFETY AND SECURITY	CXL
Air bags – dual-stage, driver and front-passenger, frontal – includes Passenger Sensing System with automatic air bag suppression	S
Air bags – front to rear, side head curtain	O
Brake/transmission shift interlock	S
Door locks – automatic power, programmable with lock-out protection and delayed locking feature	S
Door locks – rear side door, child-security	S
Headlights – with automatic light control	S
Keyless entry system – remote, programmable (includes Panic feature and perimeter lighting)	S
OnStar In-Vehicle Communications and Assistance Service – includes one-year of Safe & Sound Plan	S
Safety restraints – LATCH (Lower Anchors and top Tethers for Children), rear seats	S
Theft-deterrent system – alarm, audible/visible	S
Theft-deterrent system – PASSLock	S

MECHANICAL	CXL
Axle ratio – 3.73/4.10 available with 4200 I-6 only	S
Battery – ACDelco with run-down protection	S
Brakes – power, 4-wheel vented disc with 4-wheel anti-locking braking system (ABS)	S
Engine – Vortec 4200 in-line 6-cylinder with SFI Horsepower – 291 @ 6000 rpm, Torque – 277 lb.-ft. @ 4800 rpm	S
Engine – Vortec 5300 V8 with SFI and Displacement on Demand Horsepower – 300 @ 5200 rpm, Torque – 325 lb.-ft. @ 4000 rpm	O
Engine block heater	S
Exhaust system – aluminized stainless steel	S
Locking Differential – rear	S
Premium Suspension Package – includes luxury ride suspension, front and rear urethane jounce bumpers, stabilizer bars, Bilstein shock absorbers and rear automatic load-levelling air suspension – includes rear air inflator kit	S
StabilTrak – vehicle dynamic control, integrated chassis control system	S
Steering – power, rack-and-pinion	S
Transmission – 4-speed automatic with overdrive	S
Transfer case – on-demand all-wheel-drive system (AWD)	S
Trailer Special Equipment Package – includes integrated weight-distributing platform with trailer hitch receiver and 7-pin sealed connector	S

EXTERIOR	CXL
Assist steps – available in Black, Aluminum or Chrome*	O
Fog lights – halogen	S
Glass – Solar-Ray, tinted windshield and front doors	S
Glass – deep-tinted on all windows behind front doors	S
Liftgate – power release with integral liftglass	S
Lights – front cornering	S
Mirrors – manual folding, power remote control, heated with memory features, integral turn signals in mirror and passenger-side curb-view assist	S
Mouldings – lower bodyside cladding	S
Roof rack – roof-mounted, chrome, includes side rails only	S
Sunroof – power, sliding glass with express-open feature	O
Tires – P245/65R17 all-season blackwalls	S
Wheels – 17" x 7" aluminum (A) ¹	S
Windshield wipers – 2-speed with variable delay (intermittent)	S
Wiper/washer – rear-window (intermittent)	S
Sun and Sound Package – includes power sunroof, 6-disc in-dash CD changer with 6-speaker Bose premium sound system with Digital Signal Processor (DSP) amplifier	O

*Regular production accessory, dealer installed.

¹ – Wheel shown on page 18.

² – At time of print, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. Choose the factory navigation option and you will receive an updated navigation DVD each of the first two years following your purchase.

INTERIOR	CXL
Air conditioning – automatic, dual-zone climate control with exterior temperature readout, includes upper and lower rear-seat ducts with independent mode and fan control	S
Auxiliary power outlets – front and rear, total of three	S
Cargo area – five tie-downs	S
Cargo convenience net	S
Cargo mat – rear area	S
Cargo organizer ³	O
Cargo shade	S
Console – front floor with armrest, storage, cassette and CD holder, cupholders, coin holder, rear-seat audio controls and earphone jacks	S
Console – overhead, includes universal 3-channel transmitter	S
Cruise control – electronic with resume, coast and decelerate/accelerate features	S
Defogger – electric rear-window	S
Floor mats – front and rear, carpeted	S
Instrumentation – full analogue cluster (includes speedometer, tachometer, voltmeter, coolant temperature, oil pressure and fuel gauges)	S
Instrumentation – Driver Information Centre, displays numerous vital functions, including oil level, GM Oil Life System, low fuel level, low washer fluid and door ajar alerts, visual and audible reminders/warnings and trip functions	S
Lighting – front row reading in overhead console, 2nd-row dome with integrated lights, illuminated entry/exit with theatre dimming, rear compartment cargo light	S
Mirror – rear-view electrochromic auto-dimming with compass and OnStar System controls	S
Pedals – power adjustable brake and accelerator	S
Retained accessory power	S
Smoker's Package – includes ashtray and lighter	S
Steering column – tilt adjustable	S
Steering wheel – wood and leather-wrapped with OnStar and sound system controls	S
Sunshades – LH and RH padded illuminated vanity mirrors	S
Windows – power, driver's express-down and passenger window lock-out features	S
Wood grain accents – wood accents on steering wheel and transmission shifter, simulated	S

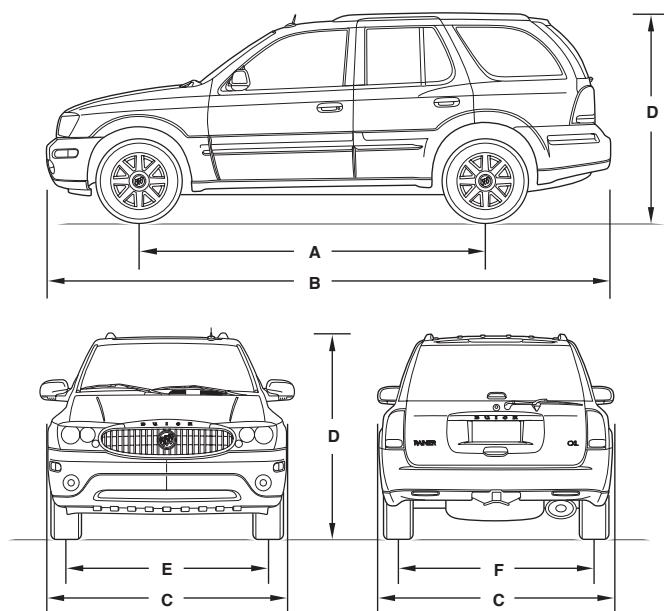

³ – Regular production accessory, dealer installed.

SEATS	CXL
Front reclining bucket seats with perforated premium leather-appointed seating	S
Rear 65/35 split-folding divided bench	S
Heated, driver and front-passenger	S
Memory, 2-position driver's side	S
Power 8-way driver and front-passenger seat adjuster	S
Power driver and front-passenger lumbar adjusters	S

ENTERTAINMENT SYSTEMS	CXL
All Rainier sound systems include an electronically tuned Delco AM/FM stereo with seek and scan, speed-compensated volume control, Radio Data System (RDS), TheftLock, digital clock, rear-seat audio controls, earphone jacks and 6 speakers	
AM/FM stereo with cassette and CD players	S
AM/FM stereo with 6-disc in-dash CD changer and equalizer	O
AM/FM stereo with CD player with MP3 playback and auto tone control	O
AM/FM stereo with CD player, DVD-based GPS navigation system ² , auto tone control and 6-speaker Bose premium sound system with Digital Signal Processor (DSP) amplifier	O
DVD entertainment system – includes overhead fold-down 178 mm (7 in.) LCD colour monitor, DVD player, video camera and video game (RCA) input jacks, 2 sets of wireless headphones and remote control	O
6-speaker Bose premium sound system with Digital Signal Processor (DSP) amplifier	O

S – Standard. O – Optional individually or in combination with other optional equipment.

DIMENSIONS

EXTERIOR, MM (IN.)

Wheelbase (A)	2870 (113.0)
Length (B)	4912 (193.4)
Width (C)	1915 (75.4)
Height (D)	1892 (74.5)
Front tread (E)	1603 (63.1)
Rear tread (F)	1577 (62.1)
Ground clearance, est.	203 (8.0)

INTERIOR, MM (IN.) FRONT/REAR

Headroom	1021/1006 (40.2/39.6)
Legroom	1095/942 (43.1/37.1)
Shoulder room	1486/1486 (58.5/58.5)
Hip room	1410/1476 (55.5/58.1)

CAPACITIES

Cargo area, L (cu. ft.)	2269 (80.1)*
Fuel tank, L (imp. gal.)	83.3 (18.3)

*With rear seats folded.

TOWING

Trailer towing capacity, max. kg (lb.) [†] – 4200 I-6	2586 (5700)
– 5300 V8	2812 (6200)

[†]Trailer towing capacity is the weight of the trailer, its load or contents plus any other weight added to the tow vehicle. Optional equipment, passengers or cargo will reduce trailer towing capacity. All towing recommendations are subject to change. Trailer tongue load should be 10% of the maximum trailer weight but should not exceed the load rating specified for that vehicle, engine or hitch combination. See your dealer or refer to the Rainier Owner's Manual for details.

A word about this brochure

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your Buick dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

Privacy statement

At General Motors of Canada Limited ("GM Canada") we respect your privacy and value our relationship with you. Your personal information will be protected, will never be sold, and will be used only by GM Canada, our affiliates, dealers/retailers, and service suppliers (only to provide services). If you wish to be removed from GM Canada marketing communications; would like to limit only certain marketing communications from us; would like a listing of our specific uses or further information about those with whom your information is shared; or for further information about our Privacy Policy and practices, please contact us at 1-800-GM-DRIVE (1-800-463-7483) or through our Web site at gmcanada.com

A word about assembly

Buicks are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Buicks. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

Trademarks

The marks appearing in this Buick Rainier brochure including, but not limited to: General Motors, GM, the GM Canada emblem, the GM Canada Web site address, the GM Accessories logo, Buick, the Buick emblem, Allure, Lucerne, Rainier, Rendezvous, Terraza, and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Delco, QuietTuning, PASSLock, SMARTLEASE, Solar-Ray, StabiliTrak and Vortec are trademarks of General Motors Corporation and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

A STORY ONLY GENERAL MOTORS CAN TELL.

General Motors' commitment to setting the highest standards in quality, safety, innovation, and fuel efficiency are matched by an equally strong commitment to the community.

DID YOU KNOW?

QUALITY: GM plants swept the J.D. Power Initial Quality Study^{SM*} rankings for North and South America: Gold and Silver Plant Quality Awards for the Canadian Oshawa #2 and #1 car plants, in addition to the Bronze Plant Quality Award for the Hamtramck, Michigan plant.

SAFETY: General Motors is the only automotive manufacturer committed to offering a full range of cars, trucks, and SUVs that provide safety protection before, during and after a collision.

GM vehicles are equipped with a range of features and technologies that help drivers

avoid collisions, reduce the risk of injury should a collision prove unavoidable, and help you get the assistance you need after a collision.

INNOVATION: GM is at the forefront of automotive technology with breakthrough features such as OnStar and XM Satellite Radio.

FUEL EFFICIENCY: GM offers more cars than any other automaker in Canada that get better than 7.0 L/100 km in highway driving. GM has also won more EnerGuide fuel-efficiency awards than any other car company.

GM IS COMMITTED TO CANADA

INVESTMENT: GM invests more in Canada than any other car company: The \$2.5 billion Beacon Project represents the largest automotive investment in Canadian history.

EMPLOYMENT: GM directly employs over 20,000 people in Canada – more than any other car company.

DESIGN: GM is the only car company that designs, engineers and builds cars in Canada.

GM IS BEHIND YOU AND YOUR VEHICLE

GM is equally comprehensive in the way it backs its Buick vehicles. All Buick models include:

- 4-year/80,000 km** complete vehicle repair coverage
- 6-year/unlimited km corrosion perforation coverage
- 8-year/130,000 km** coverage on catalytic converters and powertrain control modules (PCMs)
- 4-year/80,000 km** 24-hour Roadside Assistance.

*General Motors Corporation – Oshawa #2 (Ontario – Car) was the highest ranked plant, Oshawa #1 (Ontario) was the second ranked plant and Hamtramck, MI was the third ranked plant in North/South America among plants producing vehicles for the U.S. market in J.D. Power and Associates 2005 U.S. Initial Quality StudySM. Study based on a total of 62,251 U.S. consumer responses indicating owner reported problems during the first 90 days of ownership. www.jdpower.com
