

CSX

ACURA 2006

It's just a car, until it changes your mind.
Introducing Acura CSX. More than simply
the newest luxury sedan in the Acura line-up,
CSX is designed, engineered and powered to
challenge your perception of how a compact
luxury sedan can make you feel.

Shape

Shifter

The lines of the all-new CSX are at once distinguished and sporty. The drive is both pleasurable and intense. Acura CSX ushers in a new era in automotive luxury, an era defined by the confident and unapologetic marriage of exhilaration and panache.

The antidote for compromise.

If you think you know what to expect from a compact luxury sedan, you're in for an awakening. CSX forges an alliance of power and handling that is the product of 20 years worth of Acura's precision-crafted performance heritage. A countdown to performance thrills begins, the moment you slip behind the wheel.

STOP

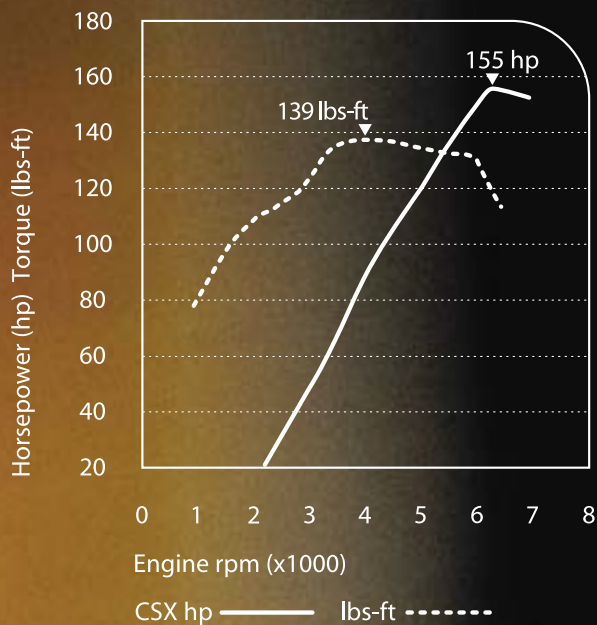

Urban

A photograph of a long, empty, brightly lit tunnel or underpass. The scene is captured from a low angle, looking down a long, straight path. The ceiling is dark, and a series of bright, rectangular lights are mounted along the top edge, creating a strong perspective. The floor is a smooth, light-colored surface, possibly concrete or polished stone, with a few faint lines. The walls are composed of a series of tall, cylindrical pillars that support the ceiling. The overall atmosphere is clean, modern, and industrial.

Born of Acura's race-bred DNA, the CSX has been meticulously engineered to redefine your expectations of both acceleration and handling – evoking confidence and enthusiasm behind the wheel.

Rocket

HORSEPOWER AND TORQUE

The CSX features a powerplant that produces 155 hp and 139 lbs-ft of torque. The torque curve is broad and flat, offering potent throttle response for every inch of the rpm band.

2.0-LITRE, 16-VALVE DOHC i-VTEC® ENGINE

This engine boasts an all-aluminum block and head with DOHC, 16-valve design. To enhance durability, Acura employs a forged-steel crankshaft with micro-polished journals and main-bearing caps that are cast directly into the block of the engine. A formidable powerplant that doesn't hinder environmental responsibility, the CSX is a low emission vehicle with a Tier2 Bin5 rating.

INTELLIGENT VARIABLE VALVE TIMING AND LIFT ELECTRONIC CONTROL (i-VTEC)

Acura DNA: The dual camshaft profiles of the VTEC® system create greater low-end torque for quicker response at lower speeds and increased horsepower at the top end. Adding Variable Timing Control (VTC) on the intake cam yields further power — putting the "i" in i-VTEC.

HIGH-INTENSITY DISCHARGE (HID) HEADLIGHTS

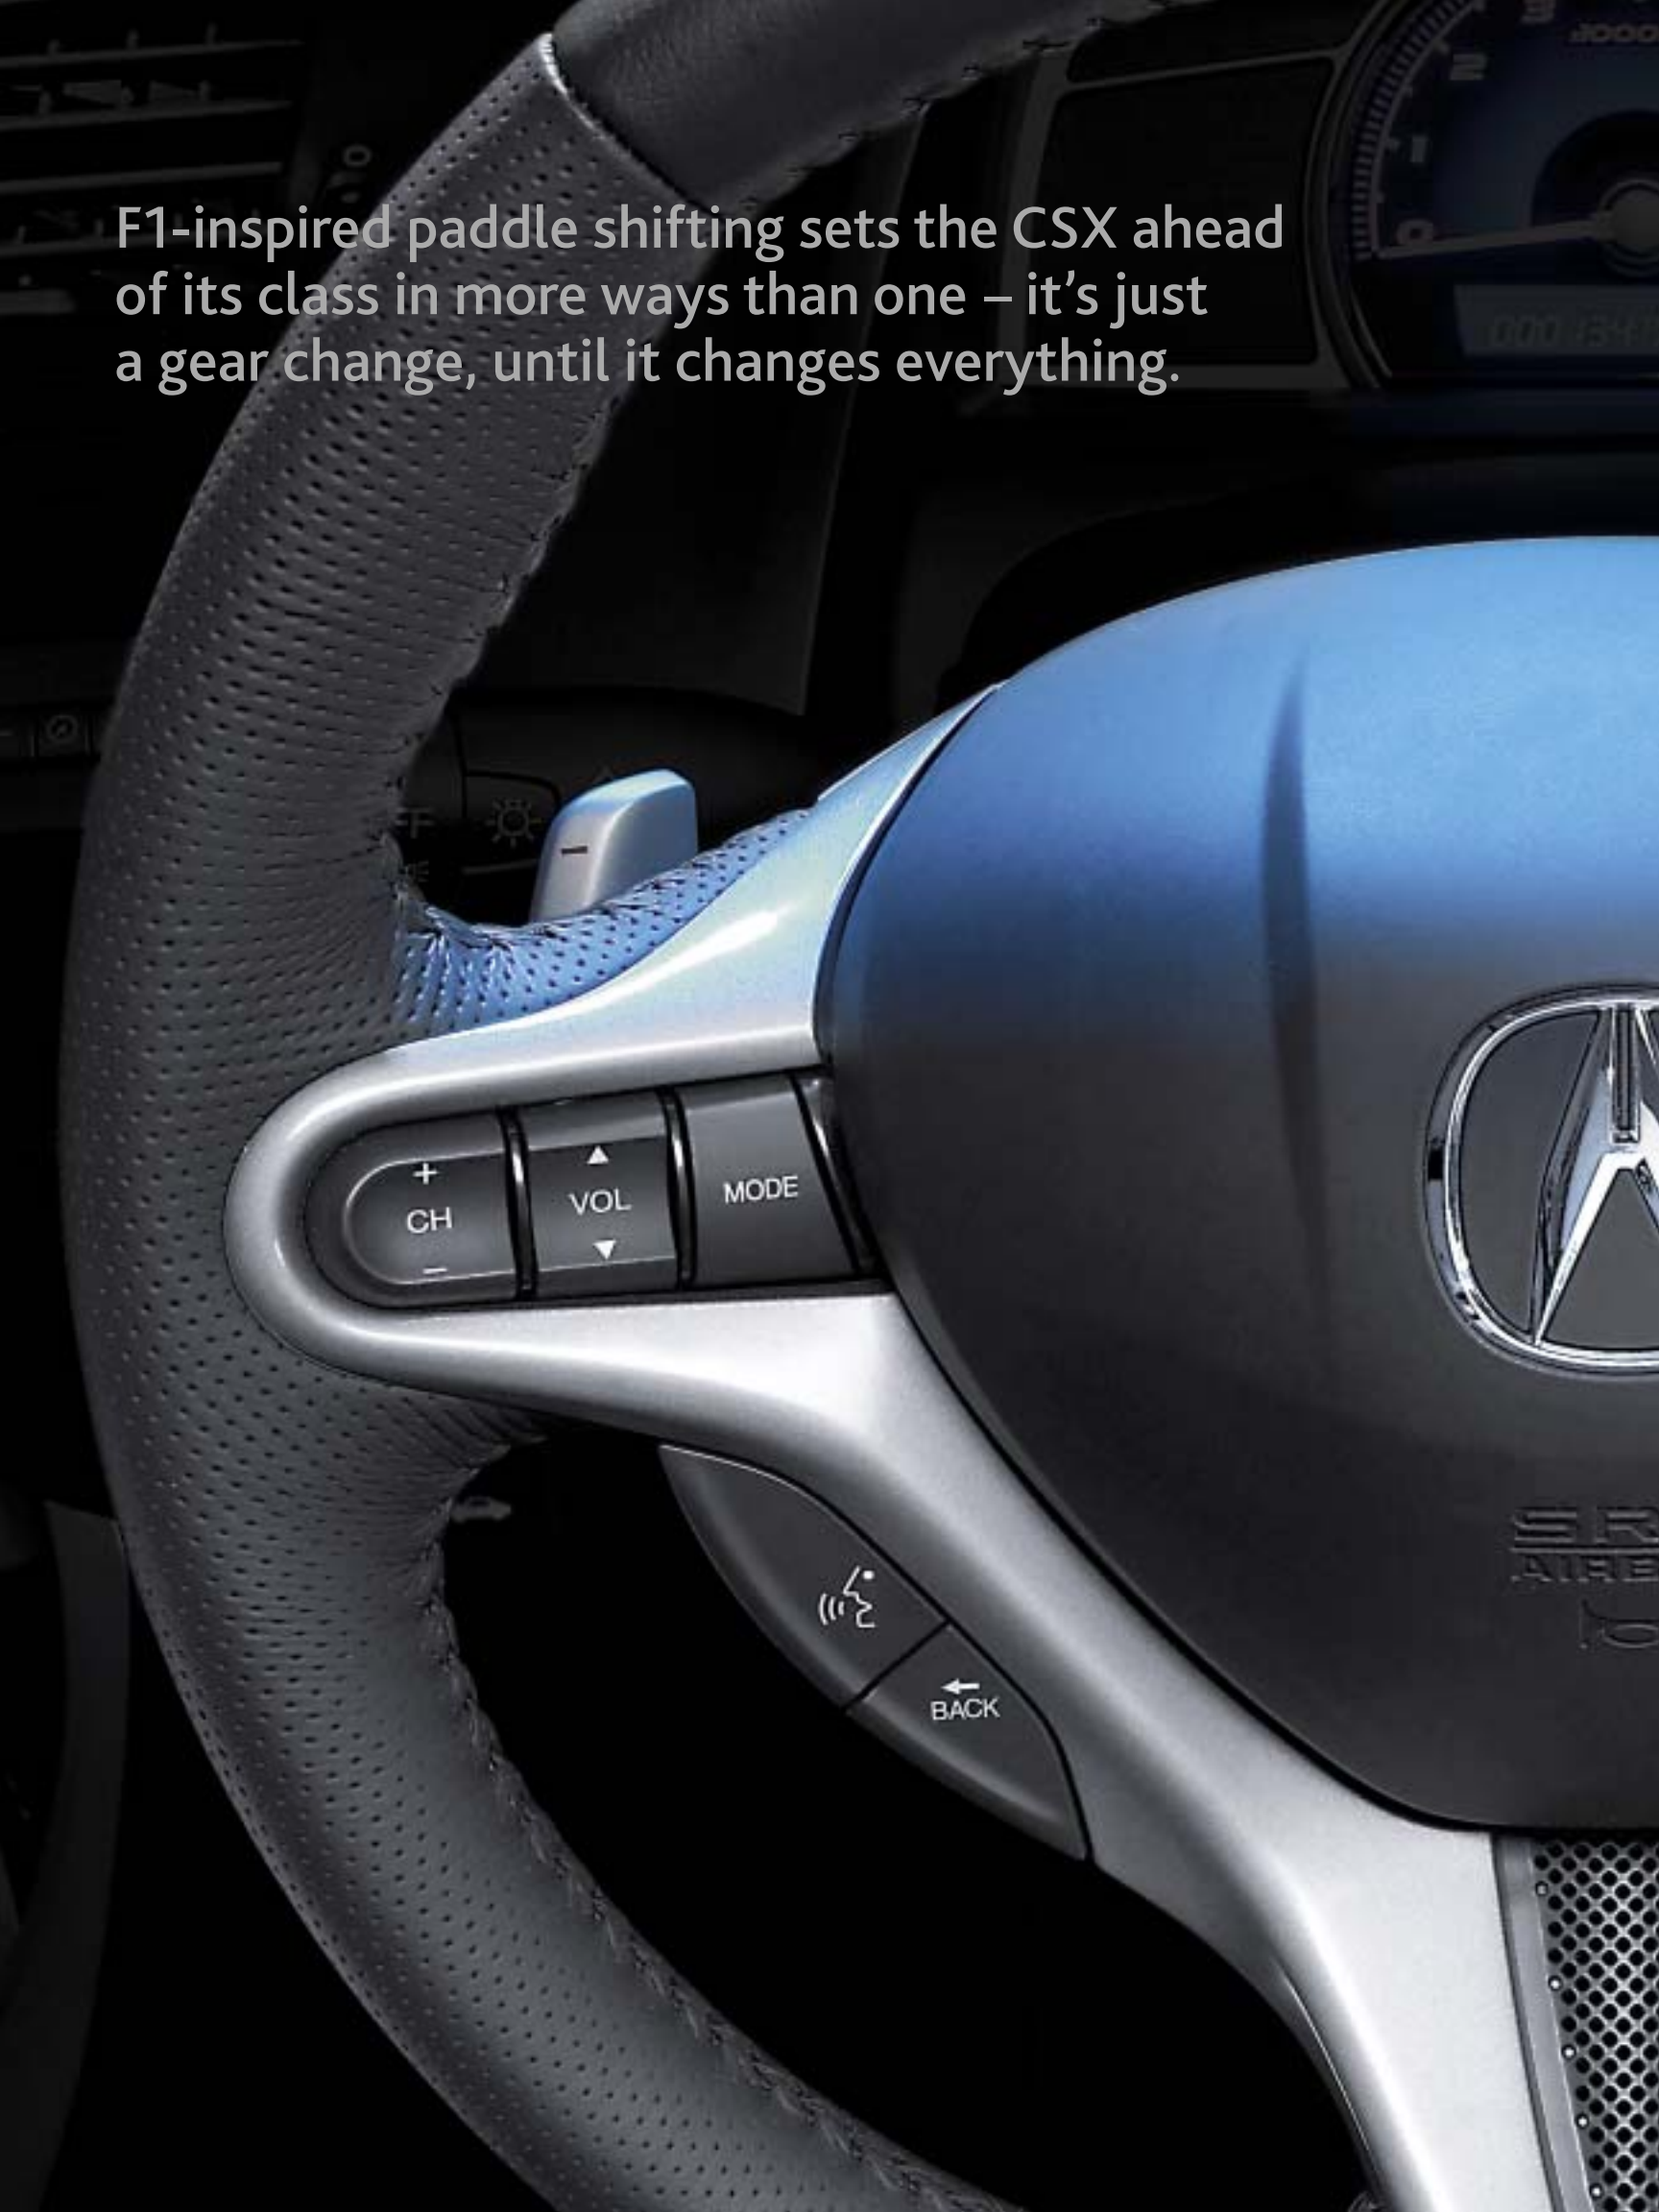

The best way to avoid incident is to be made aware of potential hazards beforehand. The CSX's available HID headlight bulbs are filled with xenon gas, which emits an intensely bright light when an arc of electricity runs through it. Sophisticated lenses and reflectors combine to produce a long, focused beam of light that helps enhance the driver's ability to identify and avoid potential hazards.

DOOR-MIRROR SIDE TURN SIGNALS

Be noticed. A definitive luxury cue, side mirror turn-signal lights add a sleek and sporty look, but also increase your visibility and signal your intentions to other motorists.

F1-inspired paddle shifting sets the CSX ahead of its class in more ways than one – it's just a gear change, until it changes everything.

CSX PADDLE SHIFTERS

Mounted just behind the spokes of the sporty leather-wrapped steering wheel you'll find paddle shifters: an F1-inspired feature for controlling the available 5-speed automatic transmission. The real thrill, however, comes the instant you seamlessly propel the CSX forward – pure luxury, with a booster shot of adrenaline.

STEERING WHEEL-MOUNTED CONTROLS

For safety and convenience, the CSX features steering wheel-mounted, illuminated audio and cruise controls. These, along with a tilt and telescopic steering column, help to ensure the optimal driving position.

Take a deep breath. Superb handling and effortless throttle response make every bend in the road an exhilarating twist. Sophisticated though it may be, this is luxury on drivers' terms. This is CSX.

4-WHEEL INDEPENDENT SUSPENSION

Forward mobility meets upward mobility: 4-wheel independent suspension that features extra-long steering rods to reduce toe change, plus rear double-wishbones for greater cornering precision, gives CSX a high calibre of road comfort without sacrificing road feel or Acura's signature precision handling.

ELECTRIC POWER STEERING

Where other vehicles stop, CSX begins. Not simply power steering, but an innovative approach that eliminates the need for a hydraulic pump, resulting in quicker steering response and increased efficiency. Because this system relies solely on the electrical system, we've eliminated the traditional sap on engine output and the additional weight associated with conventional power steering.

4-WHEEL DISC BRAKES WITH ANTI-LOCK BRAKING SYSTEM (ABS) AND ELECTRONIC BRAKE DISTRIBUTION (EBD)

Stopping duties are handled by a remarkably capable braking system. The 282-mm front rotors are ventilated to dissipate heat buildup and help prevent brake fade. In the rear are solid 260-mm rotors. The Anti-Lock Braking System helps the driver maintain steering control when braking hard, while Electronic Brake Distribution balances braking forces at each wheel to help compensate for passenger and cargo weight distribution.

Hot

The image shows the front interior of a car. On the left, there is a navigation system with a map on the screen and a digital display showing '23°C'. Below the navigation system is a gear shift knob with a leather-like texture. The dashboard is dark-colored with two air vents. The word 'Spot' is written in large, white, sans-serif font across the center of the image. In the bottom right corner, there is a block of white text describing the car's interior design.

Spot

A groundbreaking and defiantly modern interior design leaves nothing to convention. A radical new driving console sets the stage with precision, driver-oriented displays – including an outside temperature gauge.

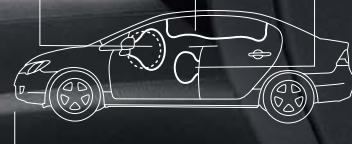

Sporty enough to satisfy the driver in you, yet comfortable enough to provide kilometre after kilometre of sophisticated driving pleasure – CSX blends sports-car spirit with luxury sedan credentials.

AVAILABLE LEATHER TRIMMED INTERIOR

Tightly bolstered, sumptuous leather seating yields a sporty, yet luxurious look and feel inside the CSX cabin. Silver and aluminum finishing trims further the sleek, refined interior aesthetic.

FRONT AIRBAGS SIDE CURTAIN AIRBAGS SIDE AIRBAGS

SAFETY CELL WITH ENERGY-ABSORBING FRONT AND REAR CRUMPLE ZONES

DUAL-STAGE, DUAL-THRESHOLD FRONT AIRBAGS AND FRONT SIDE AND SIDE CURTAIN AIRBAGS

Dual-stage, dual-threshold front airbags deploy at one of two rates and thresholds, depending on the degree of impact and seatbelt use. They team with 3-point seatbelts and standard front side and side curtain airbags to help lessen or prevent injury to head, neck and torso in a sufficient impact. In addition, front passenger side airbags are equipped with the Occupant Position Detection System™ (OPDS) that includes height and position sensors designed to prevent the deployment of the passenger's side airbag if a child or small adult is out of position. The side curtain airbags provide added head protection in both rows in a side impact of sufficient force.

*Always use seatbelts and appropriate child seats. Children 12 and under are safest when properly secured in the rear seat. Front airbags inflate and deflate in a fraction of a second.

ACURA NAVIGATION SYSTEM WITH BILINGUAL VOICE RECOGNITION

Available in the Premium model, this system can pinpoint your location almost anywhere in North America¹. Equipped with voice recognition that responds to both English and French, you can ask the system to show you the most direct route to your destination or one that avoids highways. Audio and climate controls can also be engaged by voice with this system.

AUTOMATIC CLIMATE CONTROL WITH DEFROST LINK AND FRESH AIR

Standard equipment on all trim levels, this climate control system is "set and forget". Select the desired temperature and the system will hold it even under changing ambient conditions. The ability to override the system at any time provides further control.

ACURA SOUND SYSTEM

6-speaker acoustics and an AM/FM head unit with CD player is standard on CSX Touring, while the Premium model boasts a 6 disc in-dash CD changer. Premium with Navi package provides a single CD unit and digital audio PC card reader, allowing you to store and play back digital audio files. All trim levels provide MP3/WMA capability, plus speed-sensitive volume levelling for smooth listening at any speed.

POWER MOONROOF WITH TILT AND SLIDING SHADE

CSX Premium adds a breath of fresh air with a sliding glass moonroof that features privacy glass, retractable sunshade and one touch auto-open.

5-SPEED AUTOMATIC TRANSMISSION WITH PADDLE SHIFT

A remarkable achievement, indeed, is this available 5-speed automatic. Leave it in drive and allow the transmission to do all the work, or toss the shifter into the "S" mode and enjoy the tactile response of CSX paddle shifting at your fingertips for F1-inspired thrills.

SPECIFICATIONS

POWERTRAIN

Drivetrain	Front-wheel drive
Engine Type	2.0-litre, 16-valve, DOHC, 4-cylinder
Horsepower	155 hp @ 6000 rpm (SAE net Rev 8/04) ⁹
Torque	139 lbs-ft @ 4500 rpm ⁹
Bore & Stroke	86 mm x 86 mm
Displacement	1998 cc
Compression Ratio	9.6:1
Redline	6800 rpm
Fuel System	Programmed Fuel Injection (PGM-FI)
Valvetrain	4 valves per cylinder, chain driven, dual overhead camshafts with i-VTEC [®]
Engine Block	Aluminum-alloy with cast iron cylinder liners
Emission Control	Surpasses the stringent 2005 Tier2 Bin5 emission requirements
Ignition System	Electronic direct
Transmission	5-speed manual (standard) 5-speed automatic, with steering wheel-mounted paddle shift controls (optional)

⁹Horsepower and torque calculations reflect new SAE J1349 procedures revised August 2004.

SUSPENSION / CHASSIS

Front Suspension	Toe control-link independent Macpherson strut with coil springs	
Rear Suspension	Reactive-link independent double-wishbone with coil springs	
Shock Absorbers	Gas-pressurized with progressive valve technology	
Steering Type	Variable, electric power-assist rack-and-pinion	
Stabilizer Bars	Front	24.2 mm diameter
	Rear	11 mm diameter
Wheels	Aluminum-alloy, 16" x 6.5" J	
Tires	All-Season P205/55 R16 89H	
Braking System	Power-assisted, 4-wheel disc with Anti-Lock Braking System (ABS)	
Front Discs	Ventilated, 282 mm	
Rear Discs	260 mm	

CAPACITIES

Engine Oil	4.2 litres refill capacity
Cooling System	Manual transmission: 6.55 litres
	Automatic transmission: 6.45 litres
Washer Tank	4.5 litres
Fuel Tank	50 litres
Passenger Volume	Touring: 2574 litres
	Premium: 2502 litres
Cargo Volume	340 litres

FUEL ECONOMY

Manual Transmission (L/100 km)	City/Highway: 8.7/6.4*
Automatic Transmission (L/100 km)	City/Highway: 9.5/6.5*
Recommended Fuel	Regular unleaded

*Use for comparison purposes only. Your mileage may vary.

SAFETY FEATURES

Anti-Lock Braking System (ABS) with Electronic Brake Distribution (EBD)
Active head restraints
Driver and front passenger dual-stage, dual-threshold front airbags (SRS)
Driver and front passenger side airbags (SRS) with front passenger Occupant Position Detection System™ (OPDS)
3-point seatbelts with Automatic Locking Retractor (ALR) and Emergency Locking Retractor (ELR), front and rear
Front seatbelt dual pretensioners
Front adjustable seatbelt anchors
Remote keyless entry system with integrated panic feature and trunk release
Security system
ECU Immobilizer system
Childproof rear door locks
LATCH Child Safety Seat Anchor System
Inner trunk emergency release
Side curtain airbags

EXTERIOR FEATURES

	TOURING	PREMIUM
Front splash guards	•	•
Integrated rear glass antenna	•	•
Heated power door mirrors with integrated turn signals	•	•
Body-coloured door handles with chrome insert	•	•
Chrome dual tailpipe finisher	•	•
Rear window defroster with timer	•	•
High Intensity Discharge (HID) headlights		•
Body-coloured, retractable door mirrors	•	•

NAVI PACKAGE *(Available on the Premium model)*

Acura Navigation System¹ with bilingual Voice Recognition and illuminated steering wheel-mounted controls

Digital audio card reader (PC card)

Single CD player

SEATING AND TRIM

	TOURING	PREMIUM
Driver's seat height adjustment	•	•
Leather-trimmed interior with heated front seats		•
Leather-wrapped 3-spoke steering wheel with aluminum panel insert	•	•
Centre console armrest with storage compartment and lid	•	•
60/40 split fold-down rear seatback	•	•
Passenger seatback pocket	•	•
Front seat adjustable headrests	•	•
Rear headrests (3)	•	•
Rear armrest	•	•

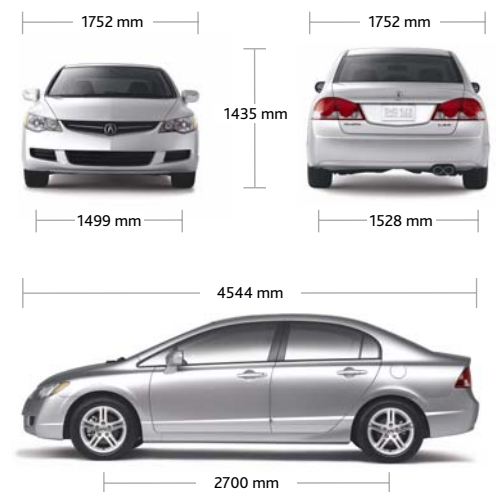

COMFORT AND CONVENIENCE

Automatic Climate Control System with Micron Air Filtration System	•	•
Acura Sound System with AM/FM stereo, in-dash CD player, 6 speakers, MP3/WMA compatibility	•	In-dash 6 CD changer
Speed-sensitive volume control	•	•
Adjustable steering column (tilt and telescopic)	•	•
Power-operated moonroof with privacy glass and auto-open		•
Power windows with driver's one-touch up/down and anti-pinch	•	•
Illuminated ignition lock, driver's power window and mirror switches	•	•
Power door locks with customizable automatic door locks	•	•
Tachometer with metallic trim ring	•	•
Digital quartz clock	•	•
Maintenance Minder	•	•
Driver's footrest	•	•
Driver and front passenger vanity mirrors	•	•
Overhead map light	•	•
Beverage holders (front and rear)	•	•
Front windshield wipers with variable intermittent feature	•	•
Accessory sockets (2)	•	•
Trunk light	•	•
Two-tier instrument panel	•	•
Outside temperature display	•	•
Blue ambient lighting and interior illumination	•	•
Illuminated steering wheel-mounted audio and cruise controls	•	•
Illuminated glove compartment	•	•
Courtesy lights	•	•
Remote lockable fuel-filler door release	•	•

EXTERIOR DIMENSIONS

Wheelbase	2700 mm	
Track, front	1499 mm	
Track, rear	1528 mm

ACCESSORIES

Personalize your Acura CSX with Genuine Acura Accessories. Ask your Retailer for additional information.

Remote engine starter

17" alloy wheels

All-weather floor mats

Ashtray - cup holder style

Bass system

Cargo net

Front skirt

Rear skirt

Side skirts

Rear wing spoiler

Full nose mask

The Acura Experience. At Acura, we believe owning a luxury vehicle goes well beyond the engineering and amenities. That's why we are equally committed to making your ownership experience a luxurious one. So, every new Acura comes with: 24-hour Roadside Assistance for the first four years of ownership, which includes our Dispatch Emergency Roadside Service, Emergency Lockout Service, Traffic Accident Services and more • First two scheduled maintenance procedures • Complimentary tank of gas at time of delivery. See your Acura retailer for details.

WARRANTY

Your new Acura vehicle comes with the following warranties: • Major Component – 5-year/100,000-km limited warranty • Vehicle – 4-year/80,000-km distributors limited warranty • Rust Perforation – 5-year unlimited-distance warranty • Surface Corrosion – 3-year unlimited-distance warranty • Accessories – 4-year/80,000-km limited warranty (when installed by an authorized Acura retailer at time of new vehicle delivery). Regular maintenance items and parts are subject to normal wear and replacement, and are not covered by warranty. Certain other items are excluded, and certain conditions apply. See your Acura retailer for complete details.

ACURA PLUS

As a new Acura owner, you can help to prolong your worry-free ownership experience by purchasing additional coverage. Just choose from our flexible selection of Mechanical Coverage that extends up to 7 years or 160,000 km, whichever comes first. You can also extend your Roadside Assistance. Ask your Acura retailer for full details.

LEASING AND FINANCING

We offer an array of options to make owning an Acura easy. Ask your Acura retailer for complete details on: Acura Leadership Leasing*, Acura Future Value Financing* and Conventional Financing*.

*A genuine service of Honda Canada Finance Inc. Conditions, restrictions and pre-payment requirements might apply O.A.C. *Acura Future Value Financing* does not apply in the province of Quebec.
