Get brains with all the brawn.

The Touareg 2 delivers gutsy Baja 500® capability with available GPS navigation and supple European leather seating surfaces. You'll feel like you're racing the Dakar Rally when making a pit stop at the corner minimart. The perfect combination of plush European comfort, intuitive safety systems and four-wheeling muscle.

European model shown.

European model shown. Drivers should always exercise care and control and drive according to weather and road conditions.

At a glance.

It's adventure in a tuxedo.

A 3.6L, 280 hp, 6-speed automatic transmission with Tiptronic® on the Touareg 2 delivers the power you need for the challenges you thrive on. With active features like 4XMOTION (standard) to help you weather the toughest driving conditions, you're set for heart-stopping explorations of parts unknown without having to sacrifice luxury. Preventative and pro-active, with no driver input required, 4XMOTION provides exceptional traction, handling and stability as you gracefully muscle through harsh terrain right on track for the next adventure.

A sophisticated experience.

The Touareg 2 definitely proves that the small details can make a big difference. Look no further than our optional 600-watt, 10-speaker Dynaudio® digital sound package. With crisp, concert-hall quality acoustics, it's sure to resonate with sophisticated audiophiles. Couple premium European comfort with a power glass sunroof that sheds light on an elegantly refined interior along with available features like navigation system, rearview camera, keyless access* and Park Distance Control, and it becomes obvious that even the inside is outside the realm of the ordinary.

Innovative and intuitive.

The fuel-efficient Touareg 2 offers optimal handling, whether you're cruising down the highway or barrelling up the mountain, plus an optional air suspension system that delivers even more comfort. On-road and off, the air suspension can be adjusted for any situation, manually or automatically, giving you maximum performance, and underlining what German engineering is really all about. Side Assist*, a blind spot detection system, and available rain sensors make for an even more intuitive driving experience.

*Standard on Execline.

Vehicle shown with optional Sport Package. Drivers should always exercise care and control, and drive according to weather and road conditions. Professional driver, please do not attempt. NEVER enter water that has a current, or where you do not know the depth.

German engineering leaves no stone unturned.

Off-road German Technology (O.G.T.) is actually a host of different technologies brought together in one vehicle to help you feel in control and stay in control.

4XMOTION

An advanced, off-road four-wheel drive system with sensors that constantly detect slip at all four wheels, sending more power to the wheels that have traction, and helping you get unstuck from whatever situation you almost found yourself stuck in.

Available air suspension

With the turn of this dial, the available air suspension can be raised to maximize off-road capabilities. At highway speeds, it automatically lowers itself by 25.4 mm (when set at normal ride height of 220 mm) to help improve handling and wind resistance. What's more, with the damping control feature, you can program the air suspension to fit the kind of ride you're seeking. Auto is your standard setting. Comfort is for a softer ride, and sport is for those enthusiasts looking to feel every nook and cranny of the road.

Vehicle shown with optional Sport Package. Professional driver, please do not attempt.

Properly secure all cargo.

Enjoy the great indoors.

No matter how ugly it gets outside, the interior of your Touareg 2 will always be a haven of comfort, technology and safety—an oasis of cupholders and inviting materials. Choose from either leather seating surfaces or glove-like, durable leatherette upholstery and trim. Grip the “I-have-control-of-my-universe” steering wheel, and set the controls for the heart of the sunset. Tweak the Climatronic* 2-zone climate control so everybody’s cool. Or warm. Feeling comfortable together is what Volkswagen is all about. There’s even an available 3-button HomeLink®, and theft-resistant Immobilizer IV technology to help keep your Touareg 2 just that—yours.

German innovation at your fingertips.

To say our engineers have thought of everything would be an understatement. For starters, there’s available Keyless Access, with push-start ignition that feels more like a sports car than an SUV. Simply carry the remote key somewhere on you, and your Touareg 2 will unlock with the touch of the door handle. Not to mention the innovative REST button, designed to re-circulate engine heat when the engine is off for as long as 45 minutes. It helps keep your car warm and toasty inside when it’s cold and blowy outside, and the car doesn’t even have to be restarted.

*Standard on the Highline and Execline.

Cockpit navigation.

Touareg 2 takes you places other SUVs can't. And gets you back again. The optional advanced touch-screen navigation system features VW breadcrumb technology to help you retrace your steps and return home. Its optional 30 GB hard drive can store map data and audio files via the optical drive or SD card slot. The optical drive is capable of reading most CD, DVD and DVD-Audio formats. In concert with the available Media Device Interface (MDI), the system is compatible with practically any MP3 or USB device. The included rear-view camera helps you navigate and steer clear of obstacles behind you.

In-flight entertainment.

Get the optional 600-watt, 10-speaker Dynaudio® stereo sound system. Boost the steering wheel volume control. And let the dual tweeters, quad midrange speakers and four beefy woofers make the little hairs on the nape of your neck dance. You'll run out of road before you run out of music, especially with standard SIRIUS® Satellite Radio* that offers 120 channels.

*With limited complimentary subscription.

Turn mountains into molehills.

The Touareg 2 tests positive for performance enhancing Off-road German Technology (O.G.T.). It can traverse a 35° lateral incline and ascend a 45° incline. With its 4-wheel independent suspension this all-terrain Touareg 2 handles more like a nimble German sports coupe. And when you're trekking through the peaks and valleys of life, it's always nice to have Hill Descent Assist and Hill Climb Assist on your side. They're a bit like having the steely-nerved guidance of your own personal Sherpa chauffeur.

580 mm* fording depth: Most SUVs don't shrink when they get wet. With an impressive 580 mm fording depth, the Touareg 2 won't even shrink from your favourite water crossings.**

Superior towing capacity and stopping power: The Touareg 2 lets you tow up to 3,500 kg. Which means you can play with some big toys on the weekend. Off-road, the Touareg 2 can really go. But equally important is that it can also really stop. An advanced braking system is eerily intuitive when it comes to stopping, especially given that it can sense a sudden halt on loose gravel and dirt. When it does, a pile of debris is created in front of the tires. This serves as a natural chock, and helps shorten braking distance.

*With optional 4-corner air suspension.
**NEVER enter water that has a current, or where you do not know the depth.

Vehicle shown with optional Sport Package. Drivers should always exercise care and control, and drive according to weather and road conditions.

From the autobahn to the road less travelled.

Imagine a vehicle pre-tuned for the highways of Germany. Needless to say, it would have to be European in every detail—with a refined interior and the intelligence of the latest onboard entertainment, navigation and safety systems. Now imagine airdropping that vehicle onto a searing windswept racecourse in sub-Saharan Africa. Picture it on a record-breaking 5,944 m vertical ascent up the volcanic peaks of Patagonia. But enough imagining. Pack up your gear, and let's hit the road. Or the glacier. Touareg 2 offers a powerful 3.6L V6 FSI® engine with straight fuel injection, and six stout torque-producing cylinders.

Vehicle shown with optional Sport Package. Drivers should always exercise care and control, and drive according to weather and road conditions.

Vehicle shown with optional Sport Package and 19" Namib accessory wheels.

Accessories and options.

Where the rubber meets the asphalt is where you can have some fun with your choice of 17" Tangis, 18" Karthoum or beefy 19" Namib alloy wheels. Load up for the weekend with a Base Roof Rack and a wide assortment of attachments—Ski & Snowboard Rack, Kayak Holder, Barracuda Bike Rack, Fork Mount Bike Holder—to conquer land, water, sky, and any other elements that may come along. Hitch your SUV to a star or boat, as the case may be, with a factory Trailer Hitch and the slope-friendly Trailer Hitch Ski-Rack attachment. Up on the roof, you can add the Aluminum Luggage Platform or Soft Luggage Carrier.

Karthoum
18" accessory wheels

Namib
19" accessory wheels

Aluminum luggage platform.

Barracuda bike rack.

Trailer hitch.

Safety doesn't happen by accident.

Safety standards should always be a priority. It's just that simple. So we packed an advanced, inter-working team of safety features into every new Touareg 2. From its unibody safety cage construction, fully galvanized sheet metal, and stabilizer bars, to airbags*—at Volkswagen, safety is a way of life, which makes sense, since it helps save lives.

Electronic Stabilization Programme (ESP)

Helps the driver stay the intended course by detecting slick and slippery road conditions, and kicking in corrective forces. ESP is most effective when the driver is taking evasive action and making sudden maneuvers to avoid an accident.

Incidentally, ESP also stands for Extra Sensory Perception. Coincidence?

Anti-Slip Regulation (ASR) and Engine Braking Assist (EBA)

Help improve handling and prevent compression-induced skidding in slippery conditions.

Dual Front and Front Side Airbags*

Can deploy within milliseconds.

Side Curtain Protection*

Deploy down the roofline from the A-pillar to the C-pillar, to help reduce head and upper torso injury in the event of side impact.

Bi-Xenon® Headlamp System with Beam Steering Technology**

Headlamps move with the steering wheel to provide better visibility when turning.

Side Mirror Turn Signal Assist

Notifies other motorists of your intentions.

*Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. Drivers should always exercise care and control and drive according to weather and road conditions. Obey all traffic laws.

**Not available on Comfortline.

Dramatization. All bags will not normally be deployed.

European model shown.

Professional driver, please do not attempt. NEVER enter water that has a current, or where you do not know the depth.

Go further into the wild.

Touareg TDI Clean Diesel. The fuel-efficient SUV from Volkswagen is equipped with AdBlue® Selective Catalytic Reduction (SCR) technology to meet current emissions standards.

An impressive 3.0L V6 engine delivers over 50% more torque than the gasoline engine. Just the right turbocharged performance you need when climbing a steep hill or exploring unknown terrain—though the luxurious interior could easily make you forget you're doing just that. With so many benefits, we had to put it in writing for you to believe it. Keep your eyes peeled for the arrival of the Touareg TDI Clean Diesel in 2009.

High class meets high altitude.

European design. Premium amenities. Astonishing off-road capabilities. Innovative features. Exceptional safety standards. And a range of compelling accessories and options. For the discriminating driver, it all boils down to the Touareg 2—an outstanding vehicle at the top of its game, especially if ever you're in the mountains. Ready to explore new territories at the drop of a top hat. And equipped to surpass your expectations of what an SUV should be. Test drive the 2009 Touareg 2 today and see what uncompromising integrity is all about.

Specs

		Comfortline	Highline	Execline
EXTERIOR				
Bumpers	Body-colour bumpers with textured black lower section	S	S	S
	Trailer hitch preparation	S	S	S
	Class III trailer hitch receiver, including a 13-pin wiring harness connector	O	O	O
Doors	Dual steel exhaust pipes	S	S	S
	Body-colour door handles	S	S	S
Glass	Keyless access with start/stop button	-	-	S
	Tinted glass, green	S	S	S
Lights, Front/Rear	Tinted privacy glass for rear side and rear tailgate window	-	S	S
	Halogen headlights with clear, lightweight, chip-resistant polycarbonate lenses	S	-	-
	Bi-Xenon®, high-intensity gas-discharge headlights with clear, lightweight, chip-resistant polycarbonate lenses	-	S	S
	Adaptive Front-lighting System (AFS); headlight-range adjustment, automatic-dynamic with curve light and turn signal light	-	S	S
	Daytime Running Lights (DRL)	S	S	S
	Headlights-on warning tone, upon opening of driver's door when ignition key is removed	S	S	S
	Automatic headlights with coming-home and leaving-home function	-	S	S
	Halogen projector lens foglights, integrated into front bumper	-	S	S
Mirrors	Side turn signal lights integrated into side exterior mirrors	S	S	S
	Body-colour mirror housings	S	S	S
	Driver and passenger power exterior mirrors, heatable	S	-	-
Parking	Driver and passenger power exterior mirrors, auto-dimming, heatable with environment lighting and memory function	-	S	S
	Park Distance Control system (PDC)	-	S	S
Roof	Power glass sunroof with tilt, slide, tinted glass, manual sunshade, pinch protection, and driver's door power lock operated convenience closing and opening feature	S	S	S
	Roof rails, black	S	S	S
	Roof rails, silver	P	P	P
Special Features	Side Assist – blind spot detection system (visual warning signals integrated in side mirrors)	-	-	S
Tailgate / Cargo Area	Power tailgate, opening and closing	-	S	S
	Trunk loading edge, plastic	S	S	S
	Rear glass window with defrost	S	S	S

Legend: S = Standard / O = Optional / P = Available with package / - = Not available

EXTERIOR (cont'd)

		Comfortline	Highline	Execline
Tires/Wheels	255/60 R17, all-season tires / 7.5J x 17" alloy wheels + anti-theft locks	S	-	-
	255/55 R18, all-season tires / 8J x 18" alloy wheels + anti-theft locks	-	S	S
	275/45 R19, all-season tires / 9J x 19" alloy wheels + anti-theft locks	P	P	P
	195/75 R17, spare steel wheel with inflatable spare tire	S	S	S
Windows	Black window surrounds	S	-	-
	Chrome window surrounds	-	S	S
Wipers/Washer	Aero windshield wipers	S	S	S
	Variable intermittent wipers	S	S	S
	Rain sensor, automatic wiper speed control	-	S	S
	Heated windshield washer nozzles, front	S	S	S
	Rear wiper with intermittent wipe feature	S	S	S

INTERIOR

		Comfortline	Highline	Execline
Air Conditioning	Manual air conditioning with REST feature	S	-	-
	Climatronic dual-zone electronic climate control. Driver and passenger side controls for automatic climate control system	S*	S	S
Alarm/Anti-theft	Anti-theft vehicle alarm system for doors, hood, hatch, radio and starter interrupt, with warning LED in door top sill and with audible and visual activation	S	S	S
	Immobilizer IV theft deterrent system	S	S	S
Armrest	Front centre armrest, foldable with dual storage compartment	S	S	S
	Rear centre armrest with load-through, foldable with cupholders	S	S	S
Cruise Control	Cruise control with active display	S	S	S
Compass	Digital compass	S	S	S
Floor Mats	Front and rear floor mats	S	S	S
Instrument Cluster	Speedometer, tachometer, odometer, trip odometer, coolant temperature gauge, fuel gauge, oil gauge, battery gauge, gear indicator, clock, outside temperature, audio functions, adjustable ride height display (if equipped with 4-corner air suspension), and warning lights	S	S	S
	Multifunction trip computer with trip time, trip distance, average trip speed, average trip fuel consumption, current fuel consumption, kilometres to empty, radio station display, personalizing functions	S	S	S
	Multi-colour display featuring multifunction trip computer and multifunction onboard computer. Available with optional 4-corner air suspension and/or optional Technology Package	O/P	O/P	S
	Illumination for controls and gauges	S	S	S
	Seatbelt reminder and fuel cap seal warning	S	S	S
Locks	Central power locking system with key-operated closing feature for sunroof, opening & closing feature for power windows, and selective unlocking at driver door	S	S	S
	Automatic locking feature (doors lock automatically when vehicle reaches 13 km/h)	S	S	S
	Radio-frequency remote locking system with lock, unlock, rear tailgate release and panic button on transmitter	S	S	S
	Front and rear door-mounted lock/unlock switches for central locking system	S	S	S
	Child safety locks on rear doors	S	S	S

*Standard on Comfortline gasoline model only.

INTERIOR (cont'd)		Comfortline	Highline	Execline
Outlets	Five 12V auxiliary power outlets	S	-	-
	Five 12V auxiliary power outlets + one 115V outlet	-	S	S
Mirrors, Interior	Dual driver and front passenger visor vanity mirrors, illuminated with cover	S	S	S
	Interior rearview mirror	S	-	-
	Interior rearview mirror, auto-dimming	-	S	S
	Mirror control pad with joystick control	S	S	S
Radio/Audio	Delta VI AM/FM radio with single CD player, 10 speakers and RDS capabilities	S	S	S
	Technology Package – Satellite Navigation System (DVD based), 6.5-inch touch screen with SD card input, 30 GB hard drive (10 GB map data, 20 GB music data), MDI (Media Device Interface), SIRIUS® Satellite Radio integrated*, rearview camera and Dynaudio® 600-watt digital sound upgrade with 10 speakers	P	P	P
	Upgraded sound system with 11 speakers and amplified sound (300 watts)	-	S	S
	SIRIUS Satellite Radio*	S	S	S
Restraint / Safety Systems	Driver and front passenger airbags**, supplemental restraint system	S	S	S
	Driver and front passenger side airbags**, supplemental restraint system	S	S	S
	Side Curtain Protection head airbags**, front & rear	S	S	S
	Rear-impact optimized front head restraints	S	S	S
	3-point safety belts, all five seating positions (height adjustable for driver, front passenger, and rear outboard seating positions)	S	S	S
	Emergency locking retractors for all seating positions	S	S	S
	Front seat safety belt pre-tensioners with load limiters	S	S	S
	Rear outboard seating safety belt pre-tensioners with load limiters	S	S	S
	Interlock feature – centre rear safety belt cannot be extended unless seat back is in fully locked position	S	S	S
	LATCH (Lower Anchors and Tethers for CHildren. Formerly known as ISOFIX) – child seat lower attachment points and top tethers, rear outboard seating positions	S	S	S
Seating, Front	8-way manually adjustable height and reach front seats, manual recline with adjustable lumbar support, and lockable head restraints	S	-	-
	12-way power adjustable front seats with 3-position memory function (driver seat and exterior mirrors), power lumbar support, and lockable head restraints	-	S	S
	Heatable front seats	S	S	S
Seating, Rear	60/40 split-folding rear seat with centre armrest and pass-through	S	S	S
	Rear seat head restraints, height adjustable, all seating positions	S	S	S
	Heatable rear seats	-	-	S

Legend: S = Standard / O = Optional / P = Available with package / - = Not available

*With limited complimentary subscription.

**Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age.

INTERIOR (cont'd)		Comfortline*	Highline	Execline
Special Features	Side turn signal control stalk with lane-change feature (one touch, signals three times)	S	S	S
	HomeLink® integrated into headliner above centre console	-	S	S
	Intelligent crash response system. In a severe crash, all doors are unlocked, the battery terminal is disconnected from the alternator cable, fuel supply is shut off, warning hazards are switched on, and high-consumption electrical components are shut off, all automatically	S	S	S
Steering Wheel	4-spoke leather-wrapped multifunction steering wheel	S	S	S
	Electromechanical speed-sensitive power steering (with Servotronic on TDI Clean Diesel model)	S	S	S
	Height-adjustable and telescopic steering column	S	S	S
	Theft-deterrent steering column	S	S	S
	Heatable	-	S	S
Storage	Front storage compartment located in centre console	S	S	S
	Storage compartment inside front centre armrest	S	S	S
	Front seatback magazine storage pockets	S	S	S
	Rear centre armrest, foldable with storage compartment	S	S	S
	Storage unit located on top of centre console	S	S	S
Telephone	Bluetooth® Mobile Phone Preparation	-	O	O
Windows	Power windows with pinch protection. Window lockout feature available on driver side door	S	S	S
	Power windows, automatic up/down (one touch, all windows)	S	S	S
	Key opening & closing feature for power windows	S	S	S

TECHNICAL

Four-wheel Drive	4XMOTION permanent four-wheel drive system with low-range gear and adaptive torque distribution	S	S	S
Brakes	Anti-lock Braking System (ABS)	S	S	S
	Power-assisted front vented disc brakes, rear vented disc brakes	S	S	S
	Electronic Brake-pressure Distribution (EBD)	S	S	S
Suspension	Double wishbone front and four-link rear independent steel spring suspension	S	S	S
	Sport suspension	P	P	P
Traction Control	Anti-Slip Regulation (ASR)	S	S	S
	Electronic Differential Lock (EDL)	S	S	S
	Engine Braking Assist (EBA)	S	S	S
	Electronic Stabilization Programme (ESP) with Hydraulic Brake Assist (HBA)	S	S	S
	Hill Descent Assist (HDA)	S	S	S
	Hill Climb Assist (HCA) – engages only in low range gear	S	S	S
Transmission	6-speed automatic transmission with Tiptronic®, sport mode and low range gear	S	S	S
