

2015 Touareg

It goes anywhere
you dare to go.

With the 2015 Touareg, you get everything you'd ever want in a luxury SUV and then some. Ride high with heatable 8-way electrically adjustable front seats and Climatronic® dual-zone electronic climate control. No matter how far off the beaten path you go, our available touch screen navigation with 3-D map display will always get you back on track. With four impressive trimlines, the 2015 Touareg proves that sometimes things are as good as they look. And when you add an R-Line Package, things look even better with 20" alloy wheels, R-Line sport steering, chromed oval tailpipes and more.

Key Features

Available panoramic power sunroof*

You have to see it to believe it. The panoramic, power-sliding sunroof gives a whole new meaning to the term "open road."

Available Lane Assist*

Whenever the camera recognizes that the vehicle threatens to leave the predicted lane, lane departure warning provides a haptic warning, which is a vibration in the steering wheel.

Available Area View 360**

While you keep your eyes on the road, Area View 360** keeps an eye out all around you. With cameras in the front, the rear, and two side mirrors, you can select individual views for more details, even to hook up a trailer.

Available RNS 850 touch screen navigation system*

This 8" screen gives you access to 3-D navigation, stereo, satellite radio and your MP3s with the touch of a finger or the sound of your voice.

Available KESY keyless access with push-button start*

No need to fumble for your keys: Get in and start your car without ever having to take your key out of your pocket.

Bi-Xenon headlights with Adaptive Front-light System (AFS)

Our lights go further in every way possible. The Bi-Xenon lights are not only brighter and longer-lasting than traditional headlights, but with the AFS, they turn up to 13 degrees around corners before you do.

*Feature is available on higher trims only and/or as an option. See the Specifications page for details.

Sportline (SL)

Engines:

3.6 FSI 280 hp, 8-speed automatic transmission with Tiptronic® 4MOTION®
Maximum torque: 266 lb-ft at 3,000–4,000 rpm
