# RANGER

▼ The Ranger XLT Regular Cab 4x4 in Silver Clearcoat Metallic. Some equipment shown on these pages is optional.

America's best-selling compact pickup

It's stylish and lots of fun to drive. Tough and versatile, too. And the first in its class to offer dual air bags.\* It's Ford Ranger. America's best-selling compact pickup. Yours in Regular Cab or SuperCab. Styleside model or flareside Splash. Fun-tough 2- or 4-wheel drive.

**Ford Trucks. The Best Never Rest.™**

\*Always properly wear your safety belts.

▲ The Ranger XLT SuperCab 4x2 in Black Clearcoat.

◀ The Ranger Splash Regular Cab 4x2 in Canary Yellow Clearcoat.

## A compact pickup with big interior features

Look inside a Ranger. You'll see we went about designing America's best-selling compact pickup in a big way. With ergonomic instruments and controls. Comfortable seating. Plus a list of features that even includes height-adjustable shoulder belts. And if you want dual air bags, Ranger is one of only a few trucks in its class that'll accommodate you (standard for driver; optional for passenger).\* So what goes into a winning truck? As you can see in a Ford Ranger, just about everything.

\*Always properly wear your safety belts.

▼ **Ranger XLT SuperCab with 60/40 split bench seat in Saddle. SuperCab has 22.2 cu. ft. behind the front seats (18.3 in models with rear jump seats).**

Optional pivoting quarter windows and sliding rear window for the Ranger XLT, STX and Splash SuperCabs feature privacy glass.

▲ Every Ranger comes with a standard driver-side air bag to supplement the safety belts. And now, Ranger offers an available passenger-side air bag. It has a deactivation switch which should be used whenever a rear-facing child safety seat is secured in the outboard front seating position.

◀ The illuminated entry system turns on the interior lights when the driver's side door handle is lifted. It's a standard feature in all Ranger models.

◀ Ranger XLT SuperCab interior with optional sport cloth bucket seats with console in Saddle. Some equipment shown is optional.

◀ The remote keyless entry/anti-theft system is available for Ranger XLT, STX and Splash trim levels.

◀ A 6-way power driver's seat is available in SuperCab with the optional sport bucket seats. You can adjust the seat up/down, forward/back, and tilt forward/back.

◀ No matter if you're tall or short, you can adjust the height of your shoulder belt to your comfort needs.

## The uniquely stylish Ford Ranger Splash

Ford Ranger Splash. This first-ever flareside compact pickup with special color-keyed trim turns a lot of heads. It performs as great as it looks, too, as you'd expect. The 4x2 has a sport handling suspension and 15" chrome wheels. The 4-wheeler has 3.0-liter V-6 power and its own set of hot wheels—deep dish cast aluminum wheels with 15" outline white letter all-terrain tires. Splash. For driving fun, it's the way to go!

▶ The Ranger Splash Regular Cab 4x2 in **Canary Yellow Clearcoat**, a unique Splash color.

▼ The Ranger Splash SuperCab 4x4 in **Black Clearcoat**. Among its features are deep dish cast aluminum wheels with P235/75R15 outline white letter all-terrain tires.

# The built-tough, fun-tough Ranger 4x4

When the going gets downright pleurably tough and dirty, you need the ruggedness and performance of the Ford Ranger 4x4. With three engine choices, including a 160-hp 4.0-liter V-6, you have the muscle to get you up the steepest incline. Plus the toughness of Ford's Twin-Traction Beam independent front suspension to handle the really rough off-road terrain. And every Ranger 4x4 comes equipped with a 4-wheel anti-lock brake system. Plus the convenience and smooth operation of Ford's switch-on electric shift transfer case with auto-locking hubs (manual-locking hubs are available). The Ford Ranger 4x4, yours in styleside XL, XLT or STX model or unique flareside Splash.

▼ The 3.0-liter SEFI V-6 is standard in STX and Splash Regular Cab 4x4s and all SuperCab 4x4s.

▼ The 4.0-liter SEFI V-6 delivers the ultimate in Ranger performance.

Ranger Splash SuperCab 4x4 ▶  
in Electric Red Clearcoat Metallic.

Ranger STX SuperCab ▶  
4x4 in Brilliant Blue  
Clearcoat Metallic.

"Tread Lightly" is an educational program designed to increase awareness of land-use regulations and responsibilities in our wilderness areas. Ford joins the U.S. Forest Service and Bureau of Land Management in encouraging you to preserve our national forests and other public and private lands by "treading lightly."

◀ A 4-wheel Anti-lock Brake System (ABS) is standard in all Ranger 4x4s.

▲ The Ranger XLT Regular Cab 4x4 in Electric Red Clearcoat Metallic. Some equipment shown on these pages is optional.

# Lots of ways to personalize your Ford Ranger

Fog lamps are available on XLT and STX 4x4s, as well as on the XLT 4x2.

The optional 4-speed automatic overdrive transmission is electronically controlled for smooth and precise shifting.

Ranger XLT SuperCab 4x4 in Bright Red Clearcoat. Some equipment shown is optional.

Speed control has a "tap up/tap down" feature that lets you increase or decrease speed in an increment of 1 mile per hour with one tap of the ACCEL or COAST control.

The large-bezel radio design (standard in XL 4x4, XLT, STX and Splash; optional in XL 4x2 trim level) is one of Ranger's many ergonomic features.

The optional CD changer lets you select up to six discs with radio controls. You can also play cassette tapes.

The "one touch down" feature of the power windows option allows the driver's window to be completely lowered at just one touch of a switch.

From left to right: full face steel wheel (4x4); full face steel wheel (4x2); deep dish cast aluminum wheel; luxury aluminum wheel; and full face chrome wheel (also available in argent).

## More ways to personalize with dealer accessories

Your Ford Dealer can show you a lot of ways to personalize your new Ranger with a wide selection of Ford-brand accessories. Shown here are a high-density bedliner, sport hood cover, tubular rear bumper, quick-release tailgate lock, hood-mounted air deflector, and rally bars (not for occupant protection) with off-road lights. Your dealer can show you many more. Like the Ranger itself, Ford-brand accessories are made with a commitment to quality.

What's more, they are covered by the new vehicle limited warranty. For full details, see your Ford Dealer.

▲ Rally bars (not for occupant safety) are stylish and sporty. Shown also are off-road lights, available separately.

▲ The high-density bedliner helps guard against damage and includes a protective tailgate panel.

◀ Ranger STX Regular Cab 4x4 in Black Clearcoat.

▼ The tubular rear bumper not only adds sporty styling flair but also has heavy-duty construction.

◀ To Ranger's long list of convenience features you can add this quick-release tailgate lock.

◀ The sport hood cover adds style while helping to protect your Ranger's paint finish from chipping.

▲ This hood-mounted air deflector helps keep your windshield clear of bugs while you're out on the highway.

## Ownership experience

### ROADSIDE ASSISTANCE PROGRAM

Every new Ford includes the assurance of a no-cost, 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile bumper-to-bumper warranty. Ask your dealer for complete details on this program which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your truck.

Ford Credit offers a wide variety of financing and leasing programs to qualified buyers which can be arranged right at the dealership. Ask your dealer for the facts on these programs.

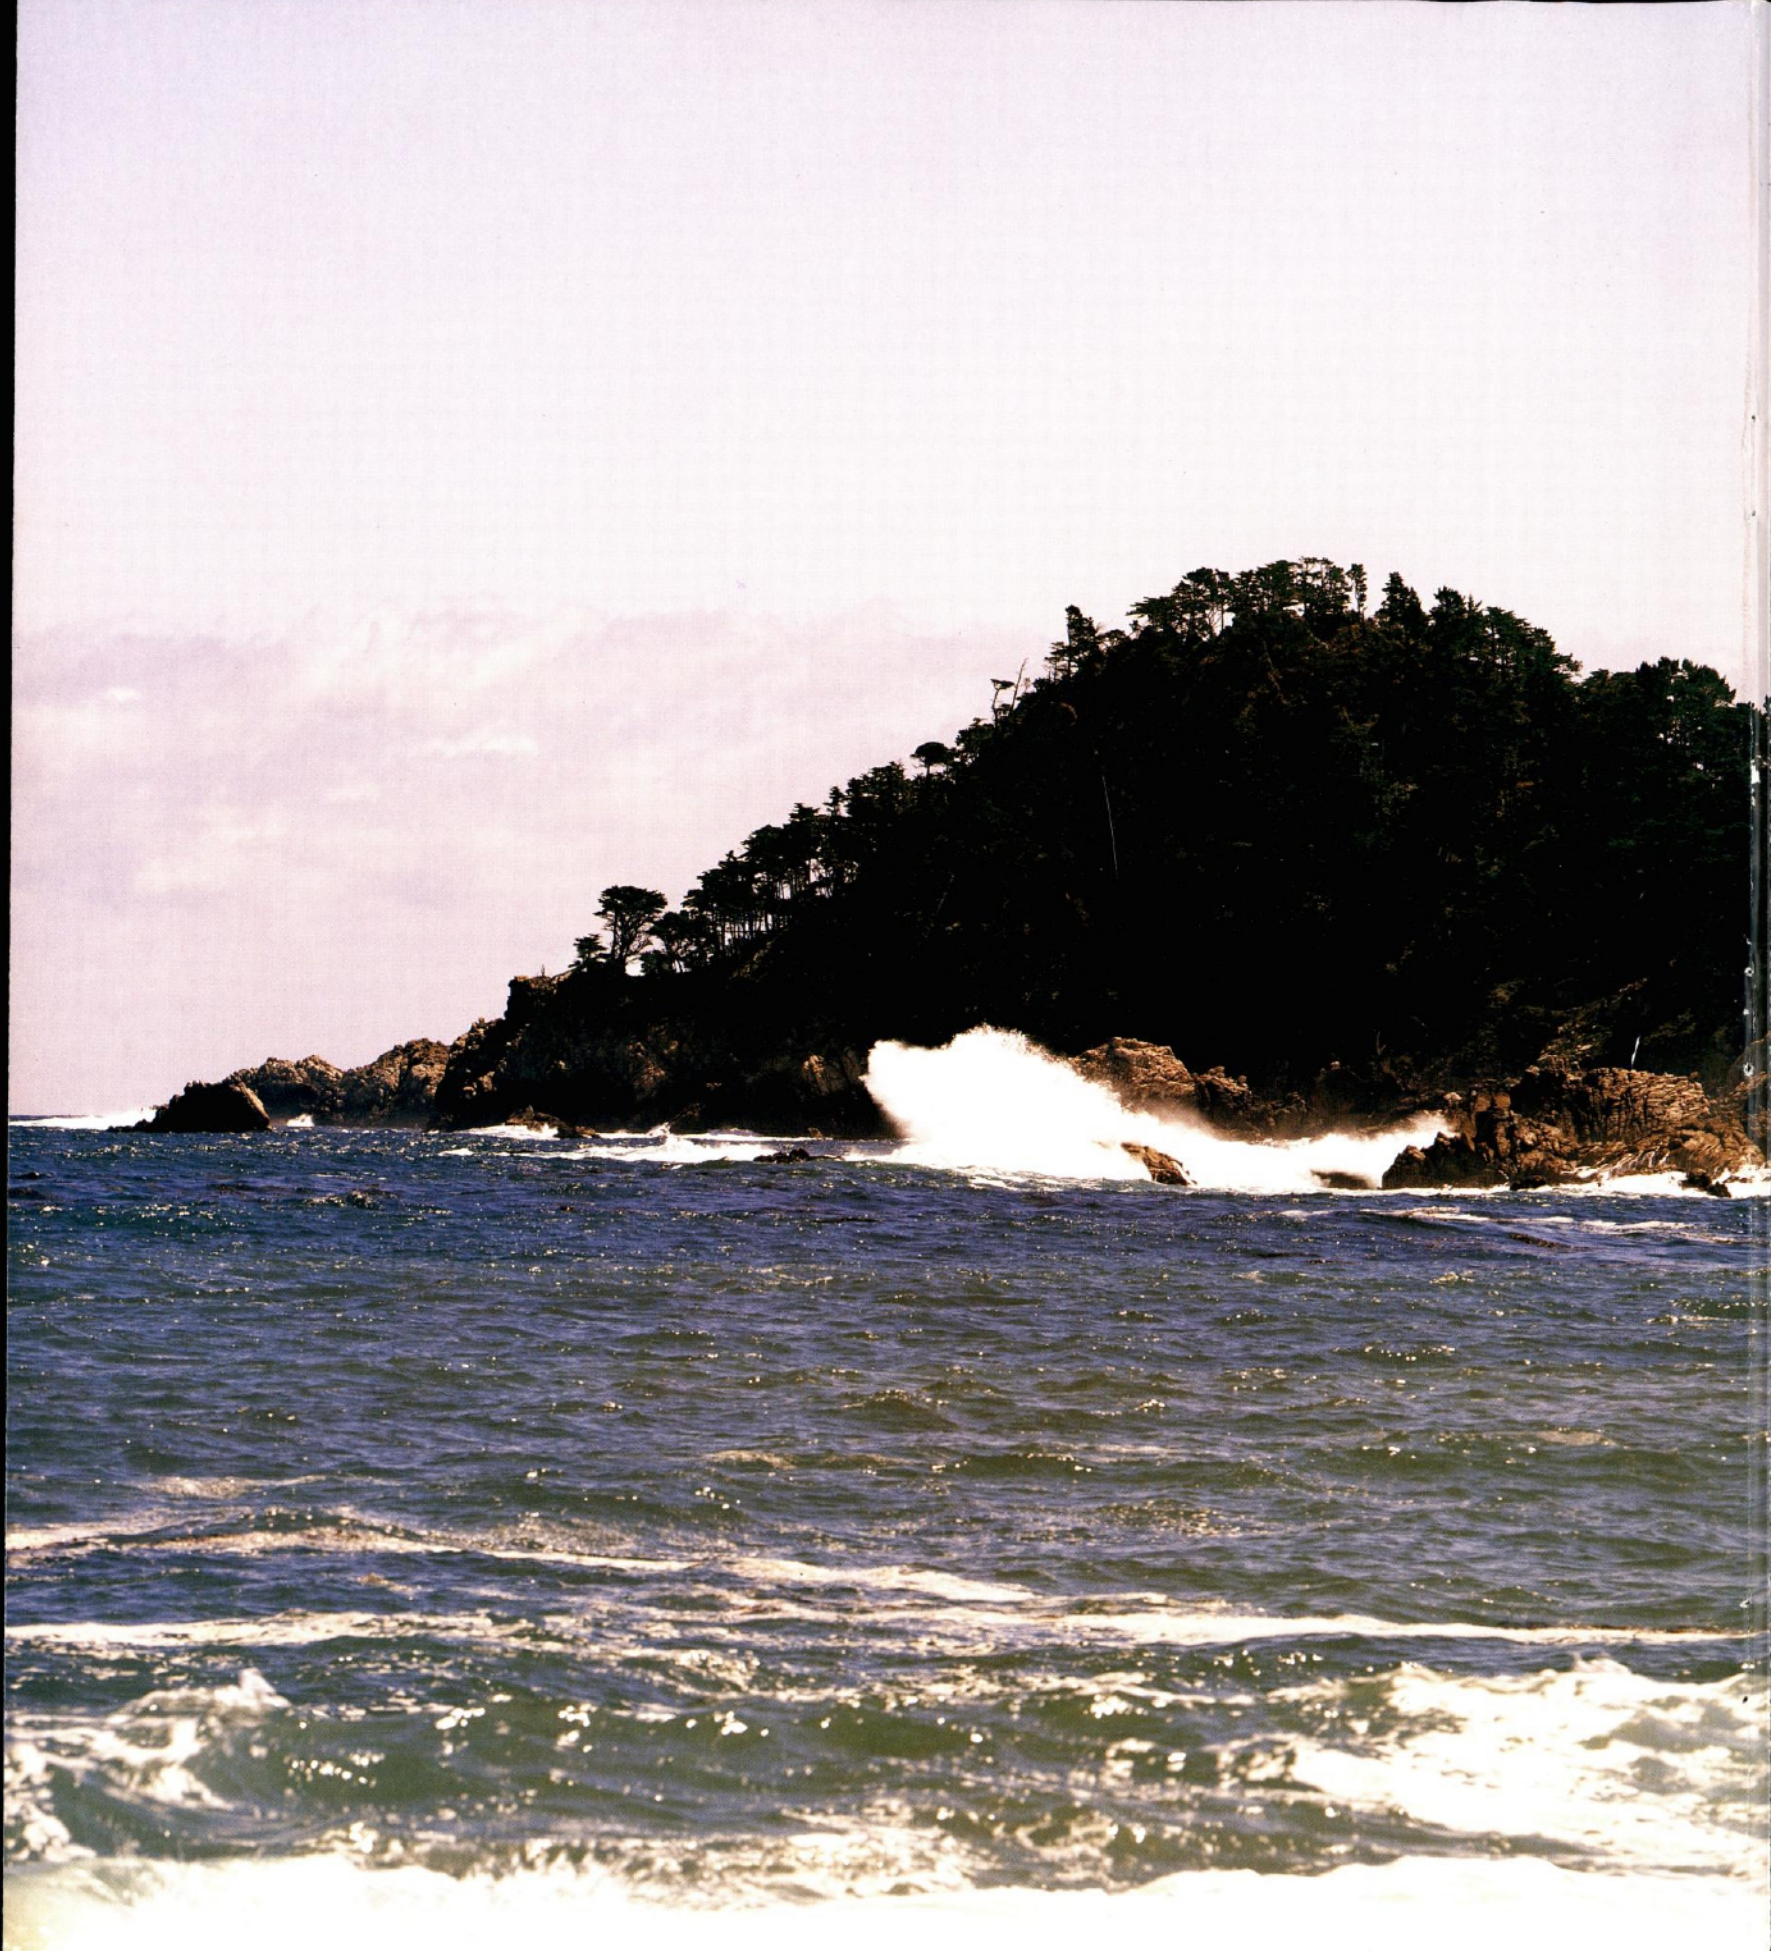

Optional Ford Extended Service Plans go beyond the basic 3-year/36,000-mile warranty. Ask your dealer for complete details on the optional plans and for a copy of the limited warranty.

### DEALER-INSTALLED ACCESSORIES

Your Ford Dealer offers a variety of quality Ford-brand accessories that meet or exceed our strict specifications.
