¹ Manufacturer's Suggested Retail Price as of 6/13/03. Includes \$635 DFC. Tax, title, license and optional equipment are extra.

² Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo.

³ Cargo and load capacity limited by weight and distribution.

⁴ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.

⁵ Gross Vehicle Weight Rating (GVWR). When properly equipped; includes vehicle, passengers, cargo and equipment.

⁶ Maintenance needs vary with different uses and driving conditions. See the Owner's Manual for more information.

⁷ RDS functions only when stations broadcast RDS information.

⁸ Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
