

06 HHR

RIGHT OUT OF THE BOX. Since when does utility have to be square? Meet the all-new 2006 Chevy™ HHR.™ As fun to look at as it is to drive. Inside, find configurable seating and a place for everything with a top center-dash auxiliary glove box, three hidden rear storage bins and a floor panel that can be mounted to double as a package shelf. The interior has jeweled chrome accents throughout, while available power, heated front seats offer the added comfort of leather seating surfaces on LT models. Plus, get a factory-installed remote vehicle starter system included with the available automatic transmission. Also factory-installed is your choice of music options, such as a CD/MP3 player with auxiliary input jack, six-disc CD changer, 260-watt Pioneer seven-speaker sound system with subwoofer and XM Satellite Radio.* HHR is available late summer 2005 at a dealer near you. Customer orders accepted late spring. Go to chevyhhr.com and sign up for email updates and get additional product information.

*XM is available only in the 48 contiguous United States. Service fees apply. Visit gm.xmradio.com for more details.
